

THE POWER OF US. THE POWER OF NOW.

Community Leaders Summit

The Community Leaders Summit convenes Alzheimer's Association volunteers and staff to experience and be inspired by our shared vision of a world without Alzheimer's and all other dementia. Through their participation, attendees will gain a deeper understanding of the Association's leadership role in Alzheimer's care, support, advocacy and research and be motivated to play an even bigger role in delivering our mission. Attendees will be educated and empowered to deliver on the mission locally and lead others to help the Association increase impact within their communities and for the overall Association.
