**RE: Bissonnet St at Westmoor Dr – All-Way Stop Control**

Dear Commissioner:

The Fort Bend County Engineering Department has completed a review of the operational conditions at the intersection of Bissonnet Street at Westmoor Drive in response to a request for all-way stop control. The intersection currently operates with stop control on Westmoor Drive. Bissonnet has a posted speed of 35 mph and is identified as a Collector in the 2015 Fort Bend County Major Thoroughfare Plan. Westmoor Drive is identified as a Collector in the 2015 Fort Bend County Major Thoroughfare Plan.

In a recent 12-month period, there were 15 crashes at this intersection that would be susceptible to correction by an all-way stop. As this satisfies the crash criteria of the all-way stop warrant in the Texas Manual on Uniform Traffic Control Devices, an all-way stop is warranted and Engineering recommends the conversion of the intersection to all-way stop control.

The public hearing date for acceptance of the plans will be scheduled on the next available Commissioner's Court Agenda. If you have any questions please do not hesitate to contact me at 281-633-7528 or [chris.debaillon@fortbendcountytexas.gov](mailto:chris.debaillon@fortbendcountytexas.gov).
