LEARN ABOUT SPEAKERS

I keep coming back year after year because of the educational and networking opportunities. This is my 16th conference... and it just keeps getting better. The amount of opportunity to learn, to network, to grow professionally, to get resources, to interact with vendors,... I consider SHRM a partner in every aspect of Human Resources.

The image displays a collection of BambooHR dashboard widgets and a chat interface. At the top, there are three icons: a purple gear with a dollar sign, a green box plot, and a red starburst. Below these is a large cartoon panda character. The widgets include:

- Employee Satisfaction (eNPS):** A gauge showing a score of 73 (90 or 100 required) and a line chart comparing the current score to a benchmark score of -47 over time (Jun 2018, Dec 2018, Jun 2019).
- Pay Info:** Shows a total gross pay of \$1,607.82 for March 10 - March 26. It breaks down into Total Gross Pay (\$2,635.40), Taxes (\$737.91, 28%), and Deductions (\$289.89, 9%). A year-to-date summary as of March 31, 2024, shows a total gross pay of \$15,812.40, with breakdowns for Cash in your pocket (\$9,646.92, 61%), Taxes (\$4,427.46, 28%), and Deductions (\$1,739.34, 11%).
- Time to Hire:** A horizontal bar chart showing hiring timelines for roles: Content Marketer, Sr. Director of Learning, Customer Retention Manager, UX Designer, and Sales Trainer.
- Time off:** Shows 132.2 hours available for Vacation and 8 hours available for Sick Leave, with 8 hours scheduled for each.
- Turnover Metrics:** Three cards showing 1.5% Average Monthly Turnover (11 people), 23% Total Turnover Jul 2023 - 2024 (32 people), and 1.1% Total Turnover - 30 days (1 person).

(Go to the Goals page on the Performance tab of your profile and click the Add Goal button.) and "When is the next company holiday?" (Looks like the next company holiday is November 24, Thanksgiving Day. Source: Company Holidays).
