d. If employing ten (10) or more full-time employees and this Agreement has a value of \$100,000.00 or more, Carahsoft does not have a practice, policy, guidance, or directive that discriminates against a firearm entity or firearm trade association and is authorized to agree in such contracts not to discriminate against a firearm entity or firearm trade association during the term of such contracts. 6. **Remote Access.** As applicable, if Carahsoft requires remote access to County Systems for support, installation, integrations, configurations, and/or maintenance, except as otherwise agreed by the parties and approved by the County's Information Technology Director in writing, the below requirements must be met before Carahsoft is granted remote access to County Systems:

a. Carahsoft will adhere to the restricted and monitored channels that are provided by the County, or other technologies approved in advanced in writing by the County's Information Technology Security Manager or the Assistant Information Technology Manager.

b. Carahsoft will neither implement nor deploy a remote access solution which bypasses and/or is designed to bypass County provided or approved controls. Carahsoft will not access County Systems via unauthorized methods.

c. Carahsoft's remote access to County Systems will only be requested and activated on as-needed basis and disabled when not in use.

d. Remote access is restricted only to County Systems necessary for Carahsoft to provide product and/or services to County pursuant to this Agreement.

e. Carahsoft will allow only its Workforce approved in advance by County to access County Systems. Carahsoft will promptly notify County whenever an individual member of Carahsoft's Workforce who has access to County Systems leaves its employ or no longer requires access to County Systems. Carahsoft will keep a log of access when its Workforce remotely accesses County Systems. Carahsoft will supply County with evidence of access logs concerning remote access to County Systems upon written request from County. Such access logs will be provided to County, within three business days from the date of County's request. These requests may be used to confirm compliance with these terms and/or to investigate a security incident.

f. If any member(s) of Carahsoft's Workforce is provided with remote access to County Systems, then Carahsoft's workforce will not remotely log-in to County Systems from a public internet access device (e.g., airport computer terminal, or

Internet café). This is due to the possibility of sensitive information being monitored by video or computer surveillance in public areas.

g. Failure of Carahsoft to comply with this Section may result in Carahsoft and/or Carahsoft's Workforce losing remote access to County Systems. County reserves the right at any time to disable remote access to protect County Systems.

h. For purposes of this Section, "Workforce" means employees, agents, subcontractors (where permitted), and/or other persons whose conduct, in the performance of work for Carahsoft, is under the direct control of Carahsoft, whether or not they are paid by Carahsoft and who have direct or incidental access to County Systems.
