

To Whom it May Concern:

My name is Richard Brewer, and I reside at 8820 Fairchilds Road, Richmond TX 77469. I have lived in the Village of Fairchilds since 2014. I have also served as a volunteer member of the Fairchild Volunteer Fire Department starting in 2008 till I changed jobs in 2015.

Upon graduating from Wharton County Junior College in 2011, I started working at Fort Bend County Drainage District, as a Heavy Equipment Operator, in 2011 till 2015. In 2015, I was granted an opportunity to join my uncle, to assist with the family farming operation; which I currently still do. The majority of the land that we farm are in the area which the ESD #10 will cover.

While serving as a volunteer in the Fairchild Volunteer Fire Department, I held the position of Lieutenant, from 2010-2012; and Captain, from 2013-2015. Also, while serving in the Department, I was a part of the Annual Benefit Fundraiser, where I coordinated the meal plates being served to the community. Even upon my departure from the department, I still have worked with the Chief, and other members of the department, with fundraising efforts, and have been in charge of the meal prep portion for the event to this day.

I feel my past involvement, in the department, along with my knowledge of the area and the needs that will be required, would help serve the ESD #10, as a member of the Board.

Thank You,

Richard Brewer
