INSTRUCTIONS FOR CERTIFICATION

- 1) By signing this Agreement, Contractor, also sometimes referred to herein as a prospective primary participant, is providing the certification set out below.

The prospective participant shall submit an explanation of why it cannot provide the certification set out below. The certification or explanation will be considered in connection with the County's determination whether to enter this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.
- 3) The certification in this clause is a material representation of fact upon which reliance was placed when the County determined to enter this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the County, the County may terminate this transaction for cause or default.
