### **Narrative Information**

#### **Introduction**

The purpose of the program is to enhance interagency border security operations supporting Operation Lone Star including the facilitation of directed actions to deter and interdict criminal activity. Program participants shall assist DPS in the execution of coordinated border security operations in an effort to:

#### **Law Enforcement**

- Increase the effectiveness and impact of Operation Lone Star.
- Reduce border-related criminal activity in Texas.
- Implement and increase the effectiveness of operational methods, measures, and techniques for outbound/southbound operations.
- Decrease the supply of drugs smuggled into and through Texas from Mexico.
- Disrupt and deter operations of gang and cartel criminal organizations.
- Decrease specifically targeted tactics (such as conveyance methods) for drugs in the Texas border region.
- Decrease use of specific areas for crime as targeted in directed action missions.
- Increase the effectiveness of directed action missions based upon intelligence and analysis to ensure they target the most serious threats and are conducted in high pay-off areas.
- Increase coordination between local and state law enforcement agencies in planning, execution, and analysis of border security operations.

#### **Program Requirements**

### **Regional Joint Operations Intelligence Center (JOIC) Coordination**

Grantees must agree to perform the following activities:

- Participate in operational planning and coordination meetings, information/intelligence sharing meetings, and After Action Reviews (AARs) established by the Texas Department of Public Safety's (DPS) Joint Operations and Intelligence Centers (JOICs).
- Participate weekly on the JOIC Unified Command conference calls or meetings as required by the JOIC.
- Report significant border-related events that occur during each 24-hour period.
- Conduct enhanced law enforcement patrolling activities
- Recognize and react to information/intelligence to adjust times and locations of enhanced patrol activities.
- Identify significant border-related trends or areas of interest that may be developed into focus areas for future operations.
- Conduct surveillance, interdictions, investigations, and collect and disseminate information within its jurisdiction or cross-jurisdiction lines as required.
- Conduct Steady State operations and respond to calls for service.
- Integrate air, ground, marine, and remote operations.

### **Border Incident Assessment Report (BIAR) Submission**

Grantees must agree to submit BIAR reports to the JOIC:

The grantee shall report all border-related events to the JOIC using the BIAR. BIAR reporting shall include events that occur during Enhanced Operation activities AND events that occur during Steady State activities.

Enhanced (Surge) Operations originate out of the use of Operation Lone Star funds when the local agency chooses to increase the hours of patrol or the number of investigative bodies. Steady State activities are defined as normal patrol or investigative duties that do not use grant funds, but directly impact the overall Operation Lone Star mission, such as organized crime arrests, terroristic activities, weapons trafficking arrests, kidnappings, human trafficking, human smuggling, home invasions with a border or organized crime nexus, illegal immigration, border-related murders, gang-related murders, vehicle thefts, or drug trafficking.

The BIAR is the primary incident and information-reporting tool for the grantee in Operation Lone Star activities. The grantee shall ensure all BIARs conform to the respective standards outlined by the JOIC and are submitted within 24 hours of the end of shift and/or the timeframes established by the JOIC.

### **Certifications**

In addition to the requirements found in existing statute, regulation, and the funding announcement, this program requires applicant organizations to certify compliance with the following:

### **Resolution from Governing Body**

Applications from nonprofit corporations, local units of governments, and other political subdivisions must submit a fully executed resolution with the application to be considered eligible for funding. The resolution must contain the following elements (see [Sample Resolution](#)):

- Authorization by your governing body for the submission of the application to the Public Safety Office (PSO) that clearly identifies the name of the project for which funding is requested;
- A commitment to provide all applicable matching funds;
- A designation of the name and/or title of an authorized official who is given the authority to apply for, accept, reject, alter, or terminate a grant;
- A designation of the name and/or title of a financial officer who is given the authority to submit financial and/or performance reports or alter a grant; and
- A written assurance that, in the event of loss or misuse of grant funds, the governing body will return all funds to PSO.

### **Cybersecurity Training Requirement**

Local units of governments must comply with the Cybersecurity Training requirements described in Section 772.012 and Section 2054.5191 of the Texas Government Code. Local governments determined to not be in compliance with the cybersecurity requirements required by Section 2054.5191 of the Texas Government Code are ineligible for OOG grant funds until the second anniversary of the date the local government is determined ineligible. Government entities must annually certify their compliance with the training requirements using the Cybersecurity Training Certification for State and Local Governments. A copy of the Training Certification must be uploaded to your eGrants application. For more information or to access available training programs, visit the Texas Department of Information Resources [Statewide Cybersecurity Awareness Training](#) page.

### **Criminal History Reporting**

Entities receiving funds from PSO must be located in a county that has an average of 90% or above on both adult and juvenile dispositions entered into the computerized criminal history database maintained by the Texas Department of Public Safety (DPS) as directed in the Texas Code of Criminal Procedure, Chapter 66. The disposition completeness percentage is defined as the percentage of arrest charges a county reports to DPS for which a disposition has been subsequently reported and entered into the computerized criminal history system.

Counties applying for grant awards from the Office of the Governor must commit that the county will report at least 90% of convictions within five business days to the Criminal Justice Information System at the Department of Public Safety.

### **Uniform Crime Reporting (UCR)**

Eligible applicants operating a law enforcement agency must be current on reporting complete UCR data and the Texas specific reporting mandated by 411.042 TGC, to the Texas Department of Public Safety (DPS) for inclusion in the annual Crime in Texas (CIT) publication. To be considered eligible for funding, applicants must have submitted a full twelve months of accurate data to DPS for the most recent calendar year by the deadline(s) established by DPS. Due to the importance of timely reporting, applicants are required to submit complete and accurate UCR data, as well as the Texas-mandated reporting, on a no less than monthly basis and respond promptly to requests from DPS related to the data submitted.

### **Entities That Collect Sexual Assault/Sex Offense Evidence or Investigate/Prosecute Sexual Assault or Other Sex Offenses**

In accordance with Texas Government Code, Section 420.034, any facility or entity that collects evidence for sexual assault or other sex offenses or investigates or prosecutes a sexual assault or other sex offense for which evidence has been collected, must participate in the statewide electronic tracking system developed and implemented by the Texas Department of Public Safety. Visit DPS's [Sexual Assault Evidence Tracking Program](#) website for more information or to set up an account to begin participating. Additionally, per Section 420.042 "A law enforcement agency that receives evidence of a sexual assault or other sex offense...shall submit that evidence to a public accredited crime laboratory for analysis no later than the 30th day after the date on which that evidence was received." A law enforcement agency in possession of a significant number of Sexual Assault Evidence Kits (SAEK) where the 30-day window has passed may be considered noncompliant.

### **Program Income**

Applicant agrees to comply with all federal and state rules and regulations for program income and agrees to report all program income that is generated as a result of the project's activities. Applicant agrees to report program income through a formal grant adjustment and to secure PSO approval prior to use of the program income. Applicant agrees to use program income for allowable costs and agrees to expend program income immediately after PSO's approval of a grant adjustment and prior to requesting reimbursement of funds.

Deduction Method - Program income shall be deducted from total allowable costs to determine the net allowable costs. Program income shall be used for current costs unless PSO authorizes otherwise. Program income which the grantee did not anticipate at the time of the award shall be used to reduce

the PSO award and grantee match rather than to increase the funds committed to the project.

Asset Seizures and Forfeitures - Program income from asset seizures and forfeitures is considered earned when the property has been adjudicated to the benefit of the plaintiff (e.g., law enforcement entity).

### **Compliance with State and Federal Laws, Programs and Procedures**

Local units of government, including cities, counties and other general purpose political subdivisions, as appropriate, and institutions of higher education that operate a law enforcement agency, must comply with all aspects of the programs and procedures utilized by the U.S. Department of Homeland Security ("DHS") to: (1) notify DHS of all information requested by DHS related to illegal aliens in Agency's custody; and (2) detain such illegal aliens in accordance with requests by DHS. Additionally, counties and municipalities may NOT have in effect, purport to have in effect, or make themselves subject to or bound by, any law, rule, policy, or practice (written or unwritten) that would: (1) require or authorize the public disclosure of federal law enforcement information in order to conceal, harbor, or shield from detection fugitives from justice or aliens illegally in the United States; or 8 U.S.C. § 1324(a)(1)(A)(iii); (2) impede federal officers from exercising authority under 8 U.S.C. § 1226(a), § 1226(c), § 1231(a), § 1357(a), § 1366(1), or § 1366(3); (3) encourage or induce an alien to come to, enter, or reside in the United States in violation of law, 8 U.S.C. § 1324(a)(1)(A)(iv); (4) result in the illegal transport or movement of aliens within the United States, 8 U.S.C. § 1324(a)(1)(A)(ii). Lastly, eligible applicants must comply with all provisions, policies, and penalties found in Chapter 752, Subchapter C of the Texas Government Code.

Each local unit of government, and institution of higher education that operates a law enforcement agency, must download, complete and then upload into eGrants the [CEO/Law Enforcement Certifications and Assurances Form](#) certifying compliance with federal and state immigration enforcement requirements. This Form is required for each application submitted to PSO and is active until August 31, 2027 or the end of the grant period, whichever is later.
