Good morning Cheryl,

IT came out this morning. Dock will need to be replaced at some point. It's just a matter of time before it completely fails. Nothing they can do about it. We just need to order a new one. Not urgent. It's working for now.

Thanks for following up for me Lorraine!

Our Budget Analyst has confirmed that the docking stations are not part of the IT Replacement program; therefore I'd need to submit a Budget Transfer Request thru Commissioners Court so we could purchase a new one for Jody (if needed). I have until Monday (Mar. 30) at 5p to add this to the Commissioners Court Agenda for April 9. It's possible the funds will be transferred by that Friday afternoon, but it may not be until that following Monday.

Thank you.

Cheryl,

Jody & I did not see IT come out to look at Jody's laptop today, though I know it was mentioned to come out today after lunch. I'm not sure if they are just considering it cannot be fixed and just need the part approved to be order or what.

Brian – can you please let us know?

Thanks!

Hi Cheryl,

I got in touch with IT and they said they are going to have someone look at Jody's docking station, but they sent me this quote for a new one. My guess is that they are thinking they can't fix it and it would need replacement.

Attached is the quote. Does Jody just tell them to go ahead and order a new one provided they do say it cannot be fixed? Is there anything we need to do?
