Electrical	Fuel Canopy Electrical Electrical  NOTES: New electrical to be ran from wash building to fuel island utilizing existing underground conduit between the two. Adding new sub panel for fuel island and all electrical wiring between, bringing everything up to code in the process. Install new gutter at fuel island and E-Stop at appropriate location for the facility. Will connect wiring and include new circuits for canopy lighting and 2-3 spare circuits as needed. Canopy lighting to be installed by others and conduit/wiring ran down to new gutter area. Contractor can leave conduit and wiring loose at that area for us to connect into. Communications conduit/fiber to be installed/extended by Fort Bend County or others.	1	12,500.00	12,500.00
