RE: Renaming Madden Road to Bono Lane

Dear Commissioner McCoy:

Fort Bend County Engineering has received a request for a street name modification to change existing **Madden Road** to **Bono Lane** from Harlem Road to Fort Bend County Municipal Utility District No 255 plat boundary (0.25 miles). The reason for the name change is for emergency response purposes. There is an existing detention pond at the end of Madden Road and it is unable to connect to any future roads due to the pond. The request will not establish nor change any addresses since there are no existing addresses on Madden Rd. See attachments.

The request has been placed on the 5/14/2026 agenda to set the public hearing. If you have any questions please do not hesitate to call.

Sincerely,

Hugo Sanchez
Development Services Manager

Change Form

It has been brought to the attention of Fort Bend County Engineering GIS that a need has arisen for the following:

- A) The naming convention of a road within the unincorporated area of Fort Bend County should be changed from **Madden Rd** to **Bono Lane** located on Key Map page **526U** within the postal and zip code **Richmond 77407** within the ETJ of Houston.

The purpose for this change is:

- A) The reason for the name change is because there is an existing pond at the end of the road and the existing madden road will not be able to connect to any future roads due to the pond. The action will bring all vested entities into alignment for the naming convention of the road with no disruption to the citizens.

This matter will be presented to as an item of consideration for Commissioner's Court on 5/14/2026. Upon approval, all affected entities will be forwarded the documents associated with the aforementioned change.

Thank you,
