WARNING: FRESH CONCRETE MAY CAUSE INJURY!
SEE OTHER SIDE FOR MATERIAL SAFETY DATA SHEET.

The sole and exclusive liability of the seller for any defect in the accepted goods shall be limited to repairing or replacing the goods as the seller shall elect. The obligation to repair or replace the goods shall terminate two months after the delivery. Free unloading time of 30 minutes to be computed from arrival on job. Demurrage at \$1.25 per minute must be paid by the purchaser thereafter.

I ACKNOWLEDGE THAT CAMPBELL CONCRETE & MATERIALS, L.P. is not liable for any damage of any nature or kind incurred by my request to move truck past curb line or right of way limits, and acknowledges willingness to pay wrecker fees or cost in repairing damaged property and any damage to the truck. Unless agreed to in writing, the ready-mixed concrete represented by this delivery ticket is in accordance with ASTM C 94, Standard Specification for Ready-Mixed Concrete, and acceptance testing must be by the standard test methods specified therein. Non-standard test methods cannot be used for rejection of the concrete. The Concrete strength shown is the potential strength when measured by standard test methods and could vary significantly from the in-place strength which is dependent on placement, consolidation, curing, and protection of the concrete after delivery.

Due to the important factors which are out of our control, this company will not accept any responsibility for the finished results. No credits allowed for returned concrete. Should legal action be commenced or an attorney employed to collect payment, the purchaser of this material or services agrees to pay all reasonable sums for attorney's fees and to pay all costs. Interest charged at the rate of 1 1/2% per month on all past due accounts.

You should not add water if:

- the maximum water-cement ratio has been reached,
- the maximum slump has been obtained, or
- more than 1/4 cubic yard has been discharged from the mixer.

WATER ADDED AT CUSTOMER REQUEST (GALLONS)
