Honorable Robert Hebert
County Judge
Fort Bend County
Richmond, Texas

This is in addition to the request for consideration on the Court Agenda of September 22, 2009 concerning the longevity pay applicable to the County Court at Law Judge of Fort Bend County being County Court at law No. 2.

It is my understanding after having investigated the matter that any pay I receive will be in addition to 6% interest from the date that it was due. I am sure that the Auditor can compute the pay that I should receive in addition to the interest.

It is also my understanding that I should receive the payment of interest on the longevity pay the same date that the 2 District Judges received their payments.

The consideration of the Commissioner's Court on these elements would be appreciated.

Yours truly
