Fort Bend County shall act as sole judge in determining equality and acceptability of products offered.

Initials of Bidder:

Any or all bids may be rejected if the County believes that collusion exists among the bidders. Bids in which the prices are obviously unbalanced may be rejected. If multiple bids are submitted by a bidder and after the bids are opened, one of the bids is withdrawn, the result will be that all of the bids submitted by that bidder will be withdrawn; however, nothing herein prohibits a vendor from submitting multiple bids for different products or services.

Initials of Bidder: 

- 1.24 Awards: Fort Bend County reserves the right to award this contract on the basis of lowest and best bid in accordance with the laws of the State of Texas, to waive any formality or irregularity, to make awards to more than one bidder, to reject any or all bids. Any special information concerning delivery should also be included, on a separate sheet, if necessary. All items shall be shipped F.O.B. inside delivery unless otherwise stated in the specifications. This shall be understood to include bringing merchandise to the appropriate room or place designated by the using department. Every tender or delivery of goods must fully comply with all provisions of these requirements and the specifications including time, delivery and quality. Nonconformance shall constitute a breach, which must be rectified prior to expiration of the time for performance. Failure to rectify within the performance period will be considered cause to reject future deliveries and cancellation of the contract by Fort Bend County without prejudice to other remedies provided by law. Where delivery times are critical, Fort Bend County reserves the right to award accordingly.
- 1.31 **Contract Extension:** Extensions may be made only by written agreement between Fort Bend County and the bidder. Any price escalations are limited to those stated by the bidder in the original bid.
- 1.32 **Termination:** Fort Bend County reserves the right to terminate the contract for default if Seller breaches any of the terms therein, including warranties of bidder or if the bidder becomes insolvent or commits acts of bankruptcy. Such right of termination is in addition to and not in lieu of any other remedies, which Fort Bend County may have in law or equity. Any change thereto shall be effective by modification as provided for in Clause number 2.20 "Modifications", hereof. The terms of this agreement are "no arrival, no sale", at the discretion of Fort Bend County.

Initials of Bidder: 

2.7 Invoices and Payments:

2.7.1 Seller shall submit separate invoices, in duplicate. Invoices shall indicate the purchase order number and the bid number if applicable. Invoices shall be itemized and transportation charges, if any, shall be listed separately. A copy of the bill of lading, and the freight waybill when applicable should be attached to the invoice.

2.7.2 Fort Bend County's obligation is payable only and solely from funds available for the purpose of this purchase. Lack of funds shall render the order null and void to the extent funds are not available and any delivered but unpaid goods will be returned to Seller by the county.

2.7.3 Do not include Federal Excise, State, or City Sales Tax. Fort Bend County is a tax-exempt governmental entity.

2.8 Gratuities: Fort Bend County may, by written notice to the Seller, cancel any order without liability, if it is determined by the County that gratuities, in the form of entertainment, gifts, or otherwise were offered or given by the Seller, or any agent or representative of the Seller to any officer or employee of Fort Bend County with a view toward securing an order. In the event an order is canceled by the County pursuant to this provision, the County shall be entitled, in addition to any other rights and remedies, to recover or withhold the amount of the cost incurred by Seller in providing such gratuities.

2.9 Special Tools and Test Equipment: If the price stated on the face of an order includes the cost of any special tooling or special test equipment fabricated or required by Seller for the purpose of filing this order, such special tooling equipment and any process sheets related thereto shall become the property of the County and to the extent feasible shall be identified by the Seller as such.

2.10 Warranty/Price:

2.10.1 The price to be paid by the County shall be that contained in Seller's quote or bid which Seller warrants to be no higher than Seller's current prices on orders by others for products of the kind and specification covered by an order for similar quantities under similar or like conditions and methods of purchase. In the event Seller breaches this warranty the prices of the items shall be reduced to the Seller's current prices on orders by others. Fort Bend County may cancel this contract without liability.

Initials of Bidder: 

- 2.10.2 The Seller warrants that no person or selling agency has been employed or retained to solicit or secure any County order based upon any agreement or understanding for commission, percentage, brokerage, or contingent fee excepting bona fide employees of bona fide established commercial or selling agencies maintained by the Seller for the purpose of securing business. A breach or violation of this warranty gives the County the right, in addition to any other right or rights, to cancel this contract without liability.
- 2.11 Warranty Product: Seller shall not limit or exclude any implied warranties and any attempt to do so shall render an order voidable at the option of the County. Seller warrants that the goods furnished will conform to the specifications, drawings, and description listed in the bid invitation and purchase order as applicable, and to the sample(s) furnished by Seller if any. In the event of a conflict between the specifications, drawings, and descriptions, the specifications shall govern.
- 2.12 Safety Warranty: Seller warrants that the product sold to Fort Bend County shall conform to the standards promulgated by the U.S. Department of Labor under the Occupational Safety and Health Act of 1970. In the event the product does not conform to OSHA standards, the County may return the product for correction or replacement at the Seller's expense. In the event Seller fails to make the appropriate correction within 10 days, correction made by the County will be at Seller's expense.
- 2.13 No Warranty by Fort Bend County Against Infringements: As part of a contract for sale Seller agrees to ascertain whether goods manufactured in accordance with the specifications will give rise to the rightful claim of any third person by way of infringement. Fort Bend County makes no warranty that the production of goods according to the specification will not give rise to such a claim and in no event shall Fort Bend County be liable to Seller for indemnification in the event the Seller is sued on the grounds of infringement or the like. If Seller is of the opinion that an infringement will result, he will notify Fort Bend County to this effect in writing within two days after the receiving Purchase Order. If the County does not receive notice and is subsequently held liable for the infringement, Seller will defend and save the County harmless. If Seller in good faith ascertains that production of the goods in accordance with the specifications will result in infringement, this contract shall be null and void except that the County will pay Seller the reasonable cost of his search as to infringements.
- 2.14 Right of Inspection: The County shall have the right to inspect the goods at delivery before accepting them.

Initials of Bidder: 

- 2.15 Cancellation: Fort Bend County shall have the right to cancel for default all or any part of the undelivered portion of an order if Seller breaches any of the terms hereof including warranties of Seller, or if the Seller becomes insolvent or files for protection under the bankruptcy laws. Such rights of cancellation are in addition to and not in lieu of any other remedies, which Fort Bend County may have in law or equity.
- 2.16 Termination: The performance of work under a Purchase Order may be terminated in whole or in part by the County in accordance with this provision. Termination of work there under shall be effected by the delivery to the Seller of a "Notice of Termination" specifying the extent to which performance of work under the order is terminated and the date upon which such termination becomes effective. Such right of termination is in addition to and not in lieu of rights of Fort Bend County set forth in Clause 15 herein.
- 2.17 Force Majeure: Force Majeure means a delay encountered by a party in the performance of its obligations under this Agreement, which is caused by an event beyond the reasonable control of that party. Without limiting the generality of the foregoing, "Force Majeure" shall include but not be restricted to the following types of events: acts of God or public enemy; acts of governmental or regulatory authorities; fires, floods, epidemics or serious accidents; unusually severe weather conditions; strikes, lockouts, or other labor disputes; and defaults by subcontractors. In the event of a Force Majeure, the affected party shall not be deemed to have violated its obligations under this Agreement, and the time for performance of any obligations of that party shall be extended by a period of time necessary to overcome the effects of the Force Majeure, provided that the foregoing shall not prevent this Agreement from terminating in accordance with the termination provisions. If any event constituting a Force Majeure occurs, the affected party shall notify the other parties in writing, within twenty-four (24) hours, and disclose the estimated length of delay, and cause of the delay.
- 2.18 Assignment-Delegation: No right or interest in an order shall be assigned or delegation of any obligation made by Seller without the written permission of Fort Bend County. Any attempted assignment or delegation by Seller shall be wholly void and totally ineffective for all purposes unless made in conformity with this paragraph.
- 2.19 Waiver: No claim or right arising out of a breach of any contract can be discharged in whole or in part by a waiver or renunciation of the claim or right unless the waived or renunciation is supported by consideration and is in writing signed by the aggrieved party.
- 2.20 Modification: A Purchase Order can be modified or rescinded only by a writing signed by both of the parties or their duly authorized agents.

Initials of Bidder: 

- 2.21 Parol Evidence: This writing is intended by the parties as a final expression of their agreement and is intended also as a complete and exclusive statement of the terms of this agreement. No course of prior dealings between the parties and no usage of the trade shall be relevant to supplement or explain any terms rendered under this agreement and shall not be relevant to determine the meaning of this agreement even though the accepting or acquiescing party has knowledge of the performance and opportunity for objection. Whenever a term defined by the Uniform Commercial Code is used in this agreement, the definition contained in the Code is to control.
- 2.22 Applicable Law: This agreement shall be governed by the Uniform Commercial Code. Whenever the term "Uniform Commercial Code" is used it shall be construed as meaning the Uniform Commercial Code as adopted in the State of Texas and in effect on the date of the purchase order.
- 2.23 Advertising: Seller shall not advertise or publish, without the County's prior consent the fact that Fort Bend County has entered into any contract, except to the extent necessary to comply with proper requests for information from an authorized representative of the federal, state, or local government.
- 2.24 Right to Assurance: Whenever the County in good faith has reason to question the other party's intent to perform. The County may demand that the other party give written assurance of his intent to perform. In the event that a demand is made and no assurance is given within five (5) days, the County may treat this failure as an anticipatory repudiation of the contract.
- 2.25 Venue: Both parties agree that venue for any litigation arising from this contract shall lie in Richmond, Fort Bend County, Texas.
- 2.26 Prohibition Against Personal Interest in Contracts: No officer or employee of the County shall have a financial interest, direct or indirect, in any contract with the County, or shall be financially interested, directly or indirectly, in the sale to the County of any land, materials, supplies, or service, except on behalf of the County as an officer or employee. Any willful violation of this section shall constitute malfeasance in office, and any officer or employee guilty thereof shall be subject to disciplinary action under applicable laws, statutes and codes of the State of Texas. Any violation of this section, with the knowledge, expressed or implied of the person or corporation contracting with the County shall render the contract involved voidable by the County Commissioners Court.

## 8.0 WORKERS COMPENSATION INSURANCE:

The Texas Department of Insurance, Division of Workers' Compensation has adopted Rule 110.110 effective with all bids advertised after September 1, 1994 and this does affect your bid on this project. The DWC has stated that it is aware that statutory requirements for worker's compensation insurance coverage are not being met. Rule 110.110 is designed to achieve compliance from both contractors and governmental entities. This affects both of us on this project. Providing false or misleading certificates of coverage, failing to provide or maintain required coverage, or failing to report any change that materially affects the coverage may subject the contractor(s) or other persons providing services on this project to legal penalties. This affects your subcontractors. Therefore, the attached is provided in accordance with the requirements on governmental entities. Please read carefully and prepare your bid in full compliance with DWC Rule 110.110. Failure to provide the required certificates upon submission of a bid could result in your bid being declared non-responsive. According to DWC, "This rule does not create any duty or burden on anyone which the law does not establish." Therefore, Fort Bend County should not experience any increase in cost because of the need to comply with the Texas Worker's Compensation law. Additional questions may be addressed to the Texas Department of Insurance, Division of Workers' Compensation, 333 Guadalupe, Austin, Texas 78701 (512) 463-6169.

  - 8.9.6 Notify the governmental entity in writing by certified mail or personal delivery, within 10 days after the person knew or should have known, of any change that materially affects the provision of coverage of any person providing service on the project; and
  - 8.9.7 Contractually require each person with whom it contracts, to perform as required by paragraphs (1) - (7), with the certificates of coverage to be provided to the person for whom they are providing services.

9.6 Furniture Delivery Schedule:

- 9.6.1 The construction dates will be revised as work progresses in the general construction contract. The Contractor shall, however, be prepared to furnish all items for the library any time between January 1, 2010 and February 1, 2010. The Date of Substantial Completion of the Work is the date certified by the County when the work is sufficiently complete so that the Owner can occupy or utilize the Work for the use for which it is intended.
- 9.6.4 If the contractor is delayed at any time in the progress of the Work by changes ordered in the Work, by labor disputes, fire, unusual delay in transportation, adverse weather conditions not reasonably anticipatable, unavoidable casualties or any causes beyond the Contractor's control, or by any other cause which the County determines may justify the delay, then the Contract time shall be extended by Change Order for such reasonable time as the Owner may determine.

Sienna Branch Library  
8411 Sienna Springs Blvd.

- 9.7.4 The Contractor shall supervise and direct the Work using the Contractor's best skill and attention, and shall be solely responsible for all fabrication, shipment, delivery and installation means, methods, techniques, sequences, and procedures, and for coordinating all portions of the work under this Contract.
- 9.7.5 The Contractor will ensure that the installers are familiar with all elements of the particular product to be installed and other relevant specifications, and that installation is done in accordance with the specifications. It will be the sole responsibility of the Contractor to dismantle and re-install incorrectly placed items and to correct installation deficiencies that the County determines are not completed in accordance with the specifications.
- 9.7.6 The Contractor shall at all times enforce strict discipline and good order among the Contractor's employees and shall not employ on the Work any unfit person or anyone not skilled in the task assigned them.
- 9.7.7 The Contractor shall be responsible to the Owner for the acts and omissions of the Contractor's employees, Subcontractors and their agents and employees, and other persons performing any of the Work under a contract with the Contractor.

- 9.7.8 All delivery and installation shall be made during regular business hours. The Contractor or his representative shall be at the job site to accept all deliveries. No drop shipping shall be allowed. Under no circumstances will the Owner be obligated to receive deliveries. As noted above, deliveries that arrive prior to the installation date must be stored off the premises at no expense to the Owner.
- 9.7.9 Work in Place that is subject to injury, because of the Contractor's operations being carried on adjacent thereto, shall be covered or substantially enclosed for adequate protection. All forms of protection shall be constructed in such a manner such that, upon completion, the protected work will be received by the Library in proper, whole, and unblemished condition. The Contractor shall be required to provide protective runways (plastic or other suitable material) on all finished floors throughout the building in areas where furniture is being transported or installed. The Contractor shall take all necessary precautions to protect new/existing work in place. All damaged areas shall be repaired by the Owner to original conditions, and all associated costs shall be deducted from payment due to the Contractor.
- 9.7.10 The Contractor shall at all times keep the premises free from accumulation of waste materials or rubbish caused by his operations. At the completion of the work the Contractor shall remove all waste materials and rubbish from and about the Project as well as all tools, installation equipment, machinery and surplus materials.
- 9.8 Damages to Furniture:
- 9.8.1 Acceptance of the furniture shall be made by the Owner only when each item has been installed in its final destination, cleaned, and demonstrated to be in new, undamaged operating condition. The Contractor shall be responsible for all furniture and its disposition prior to final acceptance by the Owner.
- 9.8.2 The Contractor shall be responsible with the carrier for any concealed damage which might be found when the furnishings are uncrated and/or removed from packing materials and are placed. These provisions apply to work done by Subcontractors as well as to Work done by direct employees of the Contractor.

WORKING  
FOR  
YOU

### Shape Up.

Five shape options let you choose the right table for any application, including team activities, traditional training or instruction, individual study or small group teaching.

Exeter fixed "H" legs offer superior strength and stability. Oxford legs offer the versatility of fixed or adjustable styles.

Legs attach directly to the surface with KI's unique one-piece keyhole. This method of attachment provides fast connection and greater strength.

Vinyl bullnose edge is securely attached to the table core. Edge won't peel off or pull apart and surface won't sag or warp.

### Tough tables. Easy choice.

From finger painting to testing or training, KI's selection of activity tables meets your needs. They stand up to rigorous use and offer value plus an array of options. KI activity tables come in more shapes, sizes and heights, as well as more surface, frame and edge colors than any other tables in the industry. In addition, KI's 10-year warranty assures the lowest possible life cycle costs.

### Oxford Table

Get fixed or adjustable legs on Oxford tables. A wide selection of shapes and sizes lets you choose the table that best fits your needs. Available in five shapes (rectangular, square, trapezoid, round and kidney shape) and 19 sizes.

### Exeter Table

For superior strength and stability, choose Exeter tables with fixed "H" legs. Available in three shapes (rectangular, square and trapezoid) and 14 sizes.

### Color Options

Surface laminates feature wood grain, solid or patterned finishes in 41 standard colors.

Legs with leveling glides are available in chrome or 25 colorful, durable paint finishes.

Edges come in your choice of 17 colors that contrast or coordinate with the legs.
