Re: Revised Traffic/Safety study for Exley Elementary School (Katy ISD Elem. School #24), to install "No U Turn" signs along Westheimer Parkway

Dear Commissioner:

Katy Ind. School District has requested a revised traffic study for the referenced project. Fort Bend Engineering recommends installing "No U Turn" signs at two median opening for eastbound and westbound motorist at the kindergarten/special needs drop-off during the school zone hours from 7:50 - 8:50 a.m. and 3:10 - 4:10 p.m.

The Fort Bend County Engineering Department has revised the traffic control plan (see attached) to reflect these changes and recommendations.

The public hearing date for acceptance of the plan is being scheduled. If you should have any questions, please give me a call.

Sincerely,

Steven L. Evans
Assistant to County Engineer
