Initials of Bidder:

Failure of the bidder to maintain such a file will be cause to reject any bid applying thereto.
- 1.18 Name Brands: Specifications may reference name brands and model numbers. It is not the intent of Fort Bend County to restrict these bids in such cases, but to establish a desired quality level of merchandise or to meet a pre-established standard due to like existing items. Bidders may offer items of equal stature and the burden of proof of such stature rests with them. Fort Bend County shall act as sole judge in determining equality and acceptability of products offered.
- 1.19 Color Selection: Determination of colors of materials is a right reserved by the using department unless otherwise specified in the bid. Any or all bids may be rejected if the County believes that collusion exists among the bidders. Bids in which the prices are obviously unbalanced may be rejected. If multiple bids are submitted by a bidder and after the bids are opened, one of the bids is withdrawn, the result will be that all of the bids submitted by that bidder will be withdrawn; however, nothing herein prohibits a vendor from submitting multiple bids for different products or services.
- 1.24 Awards: Fort Bend County reserves the right to award this contract on the basis of lowest and best bid in accordance with the laws of the State of Texas, to waive any formality or irregularity, to make awards to more than one bidder, to reject any or all bids. If any event constituting a Force Majeure occurs, the affected party shall notify the other parties in writing, within twenty-four (24) hours, and disclose the estimated length of delay, and cause of the delay.
- 2.18 **Assignment-Delegation:** No right or interest in an order shall be assigned or delegation of any obligation made by Seller without the written permission of Fort Bend County. No course of prior dealings between the parties and no usage of the trade shall be relevant to supplement or explain any terms rendered under this agreement and shall not be relevant to determine the meaning of this agreement even though the accepting or acquiescing party has knowledge of the performance and opportunity for objection. Whenever a term defined by the Uniform Commercial Code is used in this agreement, the definition contained in the Code is to control.
- 2.22 Applicable Law: This agreement shall be governed by the Uniform Commercial Code. Whenever the term "Uniform Commercial Code" is used it shall be construed as meaning the Uniform Commercial Code as adopted in the State of Texas and in effect on the date of the purchase order.

- 2.24 Right to Assurance: Whenever the County in good faith has reason to question the other party's intent to perform. The County may demand that the other party give written assurance of his intent to perform. In the event that a demand is made and no assurance is given within five (5) days, the County may treat this failure as an anticipatory repudiation of the contract.
- 2.25 Venue: Both parties agree that venue for any litigation arising from this contract shall lie in Richmond, Fort Bend County, Texas.
- 2.26 Dispute: After award, contractor and County agree to submit any dispute related to this Agreement that cannot be resolved by agreement of the parties to non-binding mediation by an independent mediator selected by County prior to filing an action at law or in equity. 8.0 WORKERS COMPENSATION INSURANCE:

The Texas Department of Insurance, Division of Workers' Compensation has adopted Rule 110.110 effective with all RFQs advertised after September 1, 1994 and this does affect your RFQ on this project. The DWC has stated that it is aware that statutory requirements for worker's compensation insurance coverage are not being met. Rule 110.110 is designed to achieve compliance from both contractors and governmental entities. This affects both of us on this project. Providing false or misleading certificates of coverage, failing to provide or maintain required coverage, or failing to report any change that materially affects the coverage may subject the contractor(s) or other persons providing services on this project to legal penalties. This affects your subcontractors. Therefore, the attached is provided in accordance with the requirements on governmental entities. Please read carefully and prepare your RFQ in full compliance with DWC Rule 110.110. Failure to provide the required certificates upon submission of a RFQ could result in your RFQ being declared non-responsive. According to DWC, "This rule does not create any duty or burden on anyone which the law does not establish." Therefore, Fort Bend County should not experience any increase in cost because of the need to comply with the Texas Worker's Compensation law. Additional questions may be addressed to the Texas Department of Insurance, Division of Workers' Compensation, 333 Guadalupe, Austin, Texas 78701 (512) 463-6169.
