John: We would like 15 of the JBCs. Are they still under Hart warranty? Do you have any spare MBBs or other equipment?

I am hoping our Purchasing Department will let us write Ft. Bend a contract check after our Commissioners Court approves the purchase. Will that work or do you need something else?
Thank you very much for thinking of us before selling to Hart.

At least 60, perhaps more if our Commissioners Court approves a joint Primary next week. I am also talking to Hart about them, but thought I would give you a shout first, as they would probably mark them up 100%

John: We are interested in some. How many do you have?

Carol,

Brazoria paid use \$1,400 per unit.

John

Hello John. I hope you are doing well. We may be interested in more spare JBCs. How much are they?

Carol,

Fort Bend County recently sold some surplus JBC's to Brazoria County. We still have what we consider to be an excess. Janice from Brazoria mentioned that you might be in need of additional units. What we have were recently upgraded & most have only been used once.
