Due to the severe increase of the cost of liquid asphalt over the last eight months, we are forced to immediately increase our current hot mix asphalt prices. The black base will be increased by \$3.65 per ton, and the Type "D" by \$5.90 per ton. The following reflects these increases.

**CURRENT PRICING**

We appreciate Fort Bend County's business and regret that the volatile oil market has forced us to make this decision. Thank you for your attention in this matter as we continue to serve you. Should you have any questions or concerns, please do not hesitate to contact me.
