RE: West Bellfort Detention Basin and Outfall

Dear Steve:

I have attached the pay estimate for the detention facility. Per our previous discussion, I have also attached a letter from Dan L. Harris, P.E., regarding the berm construction.

Based on this information and the onsite inspections that you and I have previously completed, I am recommending approval of this Project and acceptance by the County.

This project has been completed as a joint effort by Sprint Companies and Fort Bend County. The outfall pipe to Red Gully and the detention basin are to be maintained by the County.

I am unclear as to what, if any, additional steps need to be taken by Sprint and the County to convey the facilities to Fort Bend County. All facilities have been constructed within easements dedicated to or on land acquired by Fort Bend County.

Let me know if you need anything from me to complete conveyance to Fort Bend County.

Cordially,

KELLY R. KALUZA & ASSOCIATES, INC.
