Dear Mr. Ortega,

Per your instruction to ask permission from Drainage Department if they would allow Comcast to perform an Open Cut installation of coaxial cable by the drainage area of Sienna Village of Anderson Springs subdivision; per Mr. Dwayne, since we're outside the drainage area and actually within Easement, Comcast will move ahead with coaxial cable installation as long as Comcast bury its equipment 2'-0" deeper than standard specification of 3'-0" deep totaling 5'-0" on Sienna Springs Boulevard @ Flat Bank Creek .

Below is the list of street names where Comcast will perform U/G bores coaxial cable installation. All cable trenching and bores will be placed in 1 1/4" conduit:

- Hawk Creek (7423-7511)
- Bonita Creek @ Trail Hollow
- Blue Gap (7518-7519)
- Trail Hollow (7603-7602)
- Creek Crossing (Between Sienna Springs Blvd. & Trail Hollow)
- Strong Bank (6011-6014)
- Trail Hollow (771-7710)
- Trail Hollow (Between Twin Creek & Lamb Creek)
- Buffalo Gap (Between Blazing Gap & Pawnee Pass)
- North Echo Branch (Between Buffalo Gap & Sienna Springs Blvd.)

Please contact me for any questions.

Thank You Sir,

David Sangco
