Re: Sponsorship

Tie-in and turn lanes at the intersection of FM1463 at North Firethorne Road, and tie-in and turn lanes at the intersection of FM1463 at South Firethorne Road, within the Firethorne Development on behalf of JDC/Firethorne, Ltd.

Honorable Judge Hebert:

Fort Bend County Engineering Department has received and reviewed a request (letter attached) from Jones & Carter, Inc. for Fort Bend County to sponsor a project for a tie-in at the east side of FM1463 and North Firethorne Road, and turn lanes along FM1463 and tie-in at the east side of FM1463 at South Firethorne Road and turn lanes along FM1463, within the Firethorne Development. The tie-in and turn lanes will improve traffic flow along FM 1463.

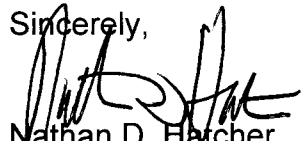

Any and all cost involved with the project will be borne by JDC/Firethorne, Ltd. There will be no cost to Fort Bend County.

The Texas Department of Transportation request that an agency, such as Fort Bend County, act as a sponsor for the project. This means that the permit for the work will be issued in the name of Fort Bend County and the County accepts responsibility for the terms and conditions of the permit.

We recommend acceptance of the sponsorship and request that this item be placed on the next available Commissioner's Court agenda. We have prepared a letter to Texas Department of Transportation, for the County Judges signature.

If there are any questions please do not hesitate to call.

Sincerely,

Nathan D. Hatcher
Assistant to County Engineer

Dear Mr. Dennis:

Fort Bend County has received and reviewed a request from Jones & Carter, Inc. for Fort Bend County to sponsor a Texas Department of Transportation project on behalf of JDC/Firethorne, Ltd. for a tie-in at the east side of FM 1463 and North Firethorne Road, and turn lanes along FM 1463 and tie-in at the east side of FM 1463 at South Firethorne Road and turn lanes along FM 1463 within the Firethorne Development, at no cost to the County.

The request was approved by Fort Bend County Commissioner's Court at our meeting of June 1, 2010. We request that a permit for the tie-in and turn lanes be issued with Fort Bend County as sponsor for this project.

If there are any questions or need for additional information, please call Nathan D. Hatcher in our Engineering Department at telephone 281-633-7515.

Sincerely,

Re: Sponsorship Letter to Serve
Firethorne Development
North and South Firethorne Roads

JANET M. BACCUS

Dear Judge Hebert:

We are preparing to submit a permit application to the Texas Department of Transportation (TxDOT) for the construction of South Firethorne Road in Firethorne Section 19, and a small section of North Firethorne Road to serve a future Firethorne section. As part of the permit application, TxDOT is requesting a sponsorship letter from Fort Bend County.

Attached are reduced copies of the proposed construction plans we will be submitting to TxDOT. The drawings show the proposed road tie-ins on the east side of FM 1463 as well as proposed turn lanes along FM 1463. The construction will be done at no expense to Fort Bend County. The developer, JDC/Firethorne, Ltd., will bear the entire cost of construction.

Fort Bend County provided the attached sponsorship letter on May 3, 2005 for the construction of North and South Firethorne Roads on the west side of FM 1463 as well as turn lanes along FM 1463.

As the engineer for Firethorne, I am hereby requesting Fort Bend County's sponsorship for this construction.

Please call if you have any questions or need any additional information.

Sincerely,

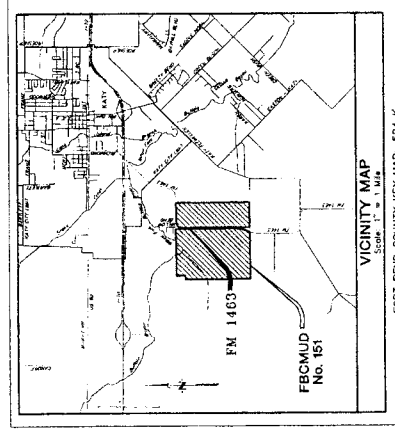

Janet M. Baccus, P.E.
