Re: Fort Bend County Bid 09-009 Renewal, Purchase of Medical Supplies

Dear Debbie,

We agree to renew above contract for another term through September 30, 2011, with increases for some items. We did not request any increases during the last renewal process.

Attached is a list of all items currently on the bid with current price and new price. Page 9 of the original bid specifications states that the "successful bidder may apply for a price increase....for the amount increased to the vendor from his supplier. Written documentation of the increase must be provided to the Purchasing Agent." Documentation from the manufacturer for requested increases is also attached.

Thank you for consideration. Please let me know if this is approved. If you have any questions please feel free to contact me via email (bmoore@boundtree.com) or phone (614-760-5233).

Sincerely,

BETHANY MOORE
