Re: Fort Bend County Courthouse – Texas Historic Courthouse Preservation Program
planning grant award

Dear Judge Hebert,

Congratulations! At the quarterly meeting last week in Austin, the Texas Historical Commission voted to award your county supplemental funding to your Round VI planning grant through the Texas Historic Courthouse Preservation Program. Funds allocated to another planning project were not awarded, making additional funds available in this round.

The amount of \$37,947 has been awarded to Fort Bend County increasing the amount of state share of the planning project cost from a 2/3 state match (66.666%) with a 33.333% local match to a 76.0% state match with a 24% local match. This now higher percentage of state funding is more typical of the match in previous rounds and should allow the county to decrease commensurately its share of the funds required to complete the planning work.

The Fort Bend County Courthouse restoration project was previously awarded \$271,047 in state funds with a county match of \$135,524. With this supplemental award of \$37,947 the state contribution has been raised to \$308,994. The supplemental funds will be available to you as a new 76% reimbursement rate on future reimbursements. As previously, 10% of the total state award will be held until final completion of the project with the submittal and our approval of a 95% complete set of construction documents and opinion of probable cost.

An amendment to the Funding Agreement is required for the supplemental award. This is provided herein along with applicable revisions to Source of Funds Statement, attachment "A". Please sign the amendment, make a copy for your records and return the original to us. If you have any questions about these attachments, please contact your project reviewer, Mark Cowan at 512.475-3285.

Thank you for your continued commitment to this exceptional project.

Sincerely,

Stanley O. Graves, AIA
Director, Texas Historic Courthouse Preservation Program
