**Re: Tie-in Paving Connection at proposed Cinco Ranch Boulevard at FM1463
within Cinco Ranch Southwest Development on behalf of Newland
Communities - Sponsorship**

Honorable Judge Hebert:

Fort Bend County Engineering Department has received and reviewed a request (letter attached) from AECOM for Fort Bend County to sponsor a project for a tie-in paving connection to proposed Cinco Ranch Boulevard at FM 1463 within the Cinco Ranch Southwest Development. The tie-in paving connection will improve traffic flow along FM1463.

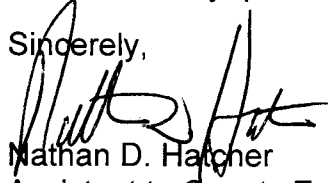

Any and all cost involved with the project will be borne by Newland Communities. There will be no cost to Fort Bend County.

The Texas Department of Transportation requests that an agency, such as Fort Bend County, act as a sponsor for the project. This means that the permit for the work will be issued in the name of Fort Bend County and the County accepts responsibility for the terms and conditions of the permit.

We recommend acceptance of the sponsorship and request that this item be placed on the 9/7/2010 Commissioner's Court agenda. We have prepared a letter to Texas Department of Transportation, for the County Judges' signature.

If there are any questions please do not hesitate to call.

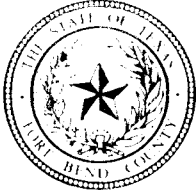

Sincerely,

Nathan D. Hatcher

Dear Judge Hebert:

We are preparing a TxDOT permit application for the construction of the future intersection of Cinco Ranch Boulevard and F.M. 1463 located approximately 8,560 feet North of the intersection of F.M. 1463 and F.M. 1093.
