ASSIGNMENT

THE STATE OF TEXAS §
 §
COUNTY OF FORT BEND §

This Assignment is made and entered into by and between FORT BEND COUNTY, a body corporate and politic under the laws of the State of Texas, hereinafter designated "County," the CITY OF MISSOURI CITY, a home-rule municipality under the laws of the State of Texas, acting by and through the City Council of the City of Missouri City, Texas, hereinafter designated "City."

WITNESSETH:

WHEREAS, contemporaneous with this Assignment, Motorola, Inc., and County will enter into a Communications System Agreement for the acquisition and installation of equipment to implement a 3-Site ASTRO P25 Simulcast System, hereinafter designated the "Agreement;" and

WHEREAS, the sites are located at the Fort Bend County Sheriffs Office, which County maintains; in Missouri City, which the City maintains; and in Clodine, which Harris County maintains; and

WHEREAS, the equipment will be acquired with Homeland Security Grant Program funds; and

WHEREAS, subsection 17.2 of the Agreement authorizes County to assign its rights under the Agreement to equipment for the Missouri City site to City provided that City agrees to be bound by the terms of the Agreement, except for the financial obligations in subsection 5.1 thereof; and

WHEREAS, contemporaneous with this Assignment, Motorola, Inc. and City will execute an addendum to the Agreement, hereinafter designated "Addendum," which modifies some of the rights and responsibilities under the Agreement; and

WHEREAS, contemporaneous with this Assignment, County and City will enter into a Property Transfer Record Agreement for the Governor's Division of Emergency Management, in connection with the use of Homeland Security Grant Program funds;

NOW, THEREFORE, County and City, in consideration of the mutual covenants and agreements herein contained, do mutually agree as follows:

I.

County assigns to City all of County's rights under the Agreement, as amended, and as modified by the Addendum, to equipment identified in the equipment list for the Missouri City site in Exhibit "C" of the Agreement, as amended, and as modified by the Addendum, including, but not limited to, County's rights to the software licenses, the installation, testing, maintenance, and support services, and the warranties related to such equipment.

II.

City assumes the responsibilities under the Agreement, as amended, and as modified by the Addendum, in regards to such equipment, including, but not limited to, compliance with the Software License Agreement attached to the Agreement, as amended, as Exhibit "A", and payment for any additional maintenance and support services requested by City and agreed to by the City and Motorola, Inc. in a separately executed agreement during or after the warranty period. City is not responsible for the financial obligations in subsection 5.1 of the Agreement, as amended.

III.

A. Any notice permitted or required to be given by City to County hereunder may be given by registered or certified United States mail, postage prepaid, return receipt requested, addressed to Fort Bend County, Attention: County Judge, 701 Jackson Street, Suite 719, Richmond, Texas 77469.

B. Any notice permitted or required to be given by County to City hereunder may be given by registered or certified United States mail, postage prepaid, return receipt requested, addressed to Purchasing/Risk Manager, 1522 Texas Parkway, Missouri City, Texas 77489, with a photocopy to City of Missouri City Police Department, Attention: Police Support Technician, 3849 Cartwright Road, Missouri City, Texas 77489.

C. Such notices shall be considered given and completed upon deposit in the United States mail as described above. Either party may change its address pursuant to this article upon written notice to the other party.

IV.

As County's purchase of such equipment involved the use of Homeland Security Grant Program funds, City will use such equipment solely to provide law enforcement and emergency response entities with enhanced capabilities for detecting, deterring, disrupting, preventing, and responding to potential threats of man-made or natural disasters and acts of terrorism as described in the federal program guidelines, specifically planning, equipment, training, and exercise needs.

V.

Each party binds itself and its successors and assigns to the other party and its successors and assigns.

EXECUTED on this 1st day of November 2010.
