**RE: Traffic Study -West Tavenor Road from Gin Rd. to Pink Taylor Run
and Gin Road from Spur 541 to West Tavenor Road**

Dear Commissioner:

A traffic study was performed at the new Kendleton Intermodal Transfer Station and due to the increased truck traffic, Fort Bend County Engineering recommends additional signage be placed at West Tavenor Road from Gin Rd. to Pink Taylor Run and Gin Road from Spur 541 to West Tavenor Road. Fort Bend County Engineering has completed and recommends approval of the traffic control plan for the above referenced roadways. The public hearing date for acceptance of the plan is being scheduled.

A copy of the traffic control plan is attached for your review. If you should have any questions, please give me a call.

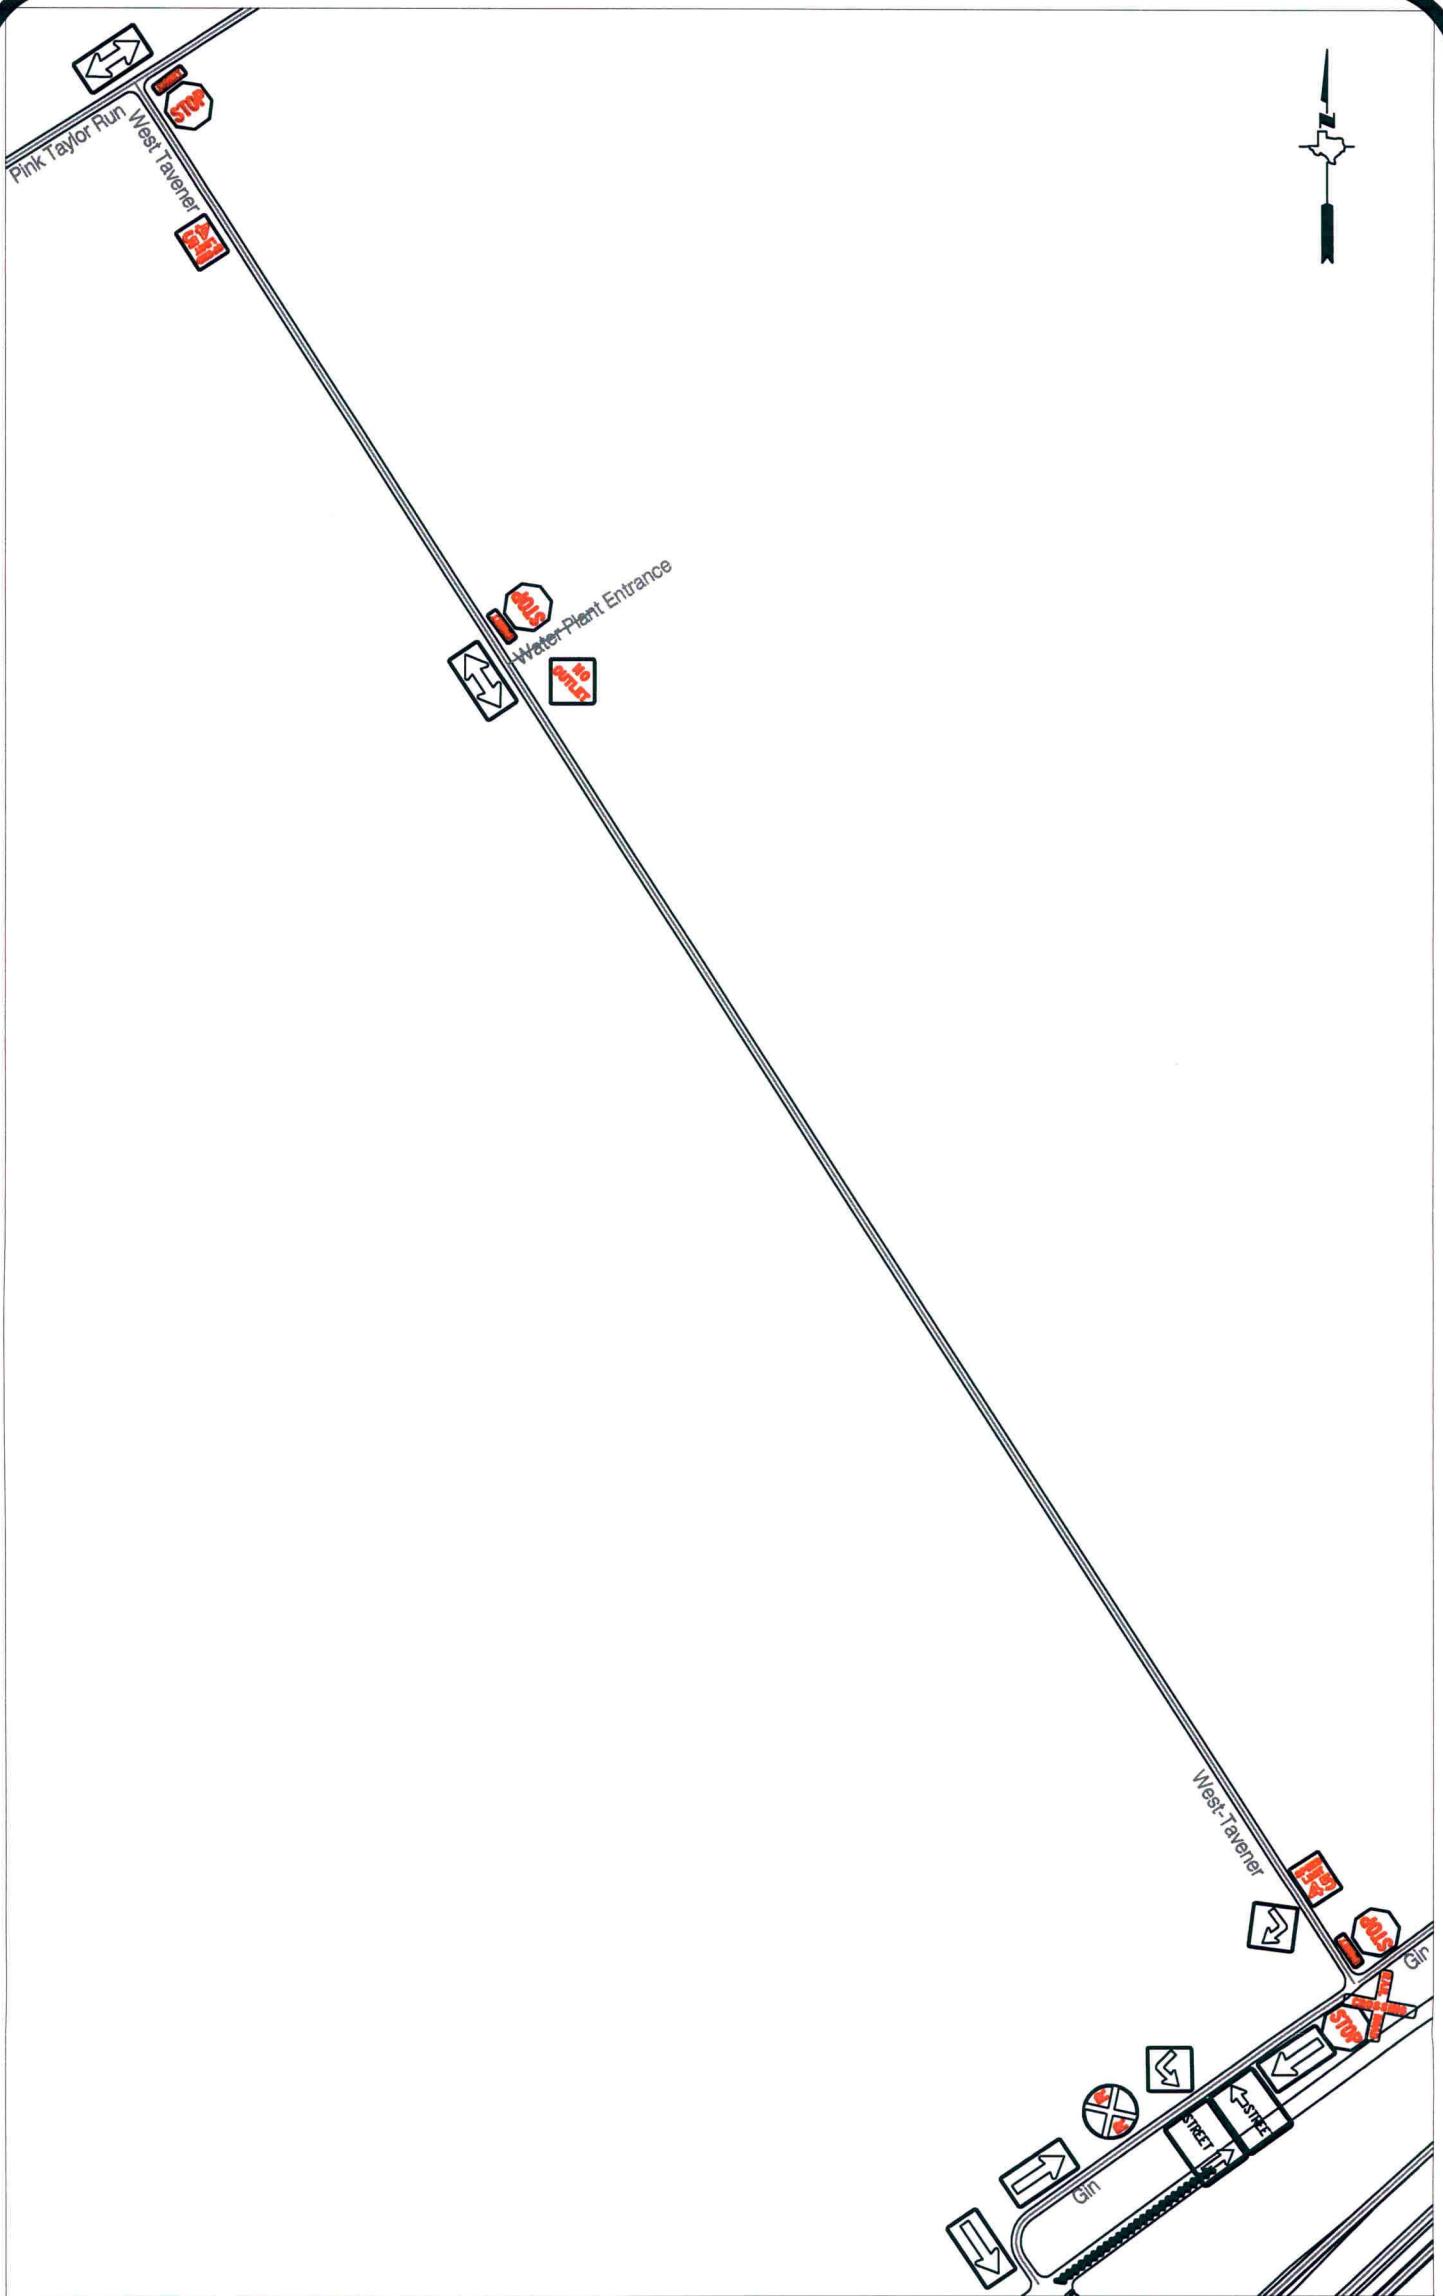

Sincerely,

DeWayne O. Davis, P.E.
