**RE: Revised Traffic Control Plan -
Adding "No Parking" signs at the Intersection of Thompson-Ferry Road
at Knights Court**

Dear Commissioner Patterson:

As per your request, Fort Bend County Engineering has conducted a traffic study at the intersection of Thompson-Ferry Road at Knights Court. Attached are the recommended changes to the traffic control plan at the intersection.

Due to people parking their vehicles too close to the intersection, it is making it hard for drivers to turn onto Thompson-Ferry Road from Knights Court due to the sight restrictions created by the parked cars. Fort Bend County Engineering Department recommends adding "No Parking" signs as shown in the attached traffic control plan. The public hearing date for acceptance of the plan is being scheduled.

If you should have any questions, please give me a call.

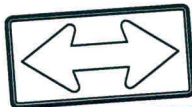

Sincerely,

Josh Netardus, E.I.T.
