The Chief Appraiser shall record both abatement taxable value and full taxable value in the appraisal records. The full taxable value figure listed in the appraisal records shall be used to compute the amount of abated taxes that is terminated in a manner that results in recapture.

(d) The Owner and Lessee shall furnish the Chief Appraiser annually such information as provided for under Chapter 22 of the TEXAS TAX CODE as may be necessary for the administration of

the abatement. Such information shall also be provided to the County Tax Assessor/Collector in preparation of its annual evaluation for compliance with the terms and provisions of this Agreement, including Lessee's payroll records.
