From Will Gutowsky, P.E., Project Manager

Date October 19, 2010

Dear Commissioner Meyers

On behalf of our client, we respectfully request to change street names in the above reference subdivision through the "911" Commission in lieu of the replatting process. The plat was recorded with 3 duplicate street names. Two lots have been sold to one developer. We have attached the Letter of No Objection for the street name changes from the said developer.

Please accept our assurance that the appropriate street signage will be installed immediately upon Commissioners' Court approval. We request to make the following street name changes:

Cinco Ranch Southwest Sec. 42:

Lost Pines Drive to Western Pine Trail
Pinyon Pine Drive to Cedar Pine Drive
Pine Ridge Court to Red Pine Valley Trail

In addition, please find enclosed the approval from the City of Houston Planning and Development Department of the proposed street names and copy of the recorded plat of Cinco Ranch Southwest Sec. 42 that was affected by the proposed street name changes. We appreciate your review and assistance with our request. If you have any questions or require additional information, please do not hesitate to contact me at 713-267-2822 or via e-mail will.gutowsky@aecom.com
