---

Gilbert, I realize that Fort Bend County has only a few DOT mandated employees, but this change in DOT rules will impact your program. As indicated in the letter, the price increase from the laboratories is strictly to cover their increased cost of providing DOT tests or the DOT look-a-like tests. We need from your management the following:

1. Decide if you want to continue doing the DOT look-a-like test for your Non-DOT employees, which case the \$1.25 increase in cost will impact all of the drug tests done for FBC.
2. Please present this to Commissioners Court for approval of a \$1.25 increase in cost for the DOT and Non-DOT look-a-like test or just the DOT test. Please be clear that this price increase request is not of our doing, but simply due to DOT rules changes over which we and the laboratories have no control.
3. Effective October 1<sup>st</sup>, all the test panels will change and the new costs will be invoiced to HMTS by the laboratory.

Thank you,

JON
