Dear Mr. Scott:

We are very pleased to deliver your Retiree Medical Coverage renewal for 2011. The premium for Fort Bend County retiree benefits has remained the same for an unprecedented 4 years. This year the group is experiencing an increase in utilization which warrants an adjustment in the premium for the coming year. After much deliberation, underwriting has completed their annual review of our Retiree Medical coverage for Fort Bend County. As a result of their review, there will be an increase of 9%, which is the equivalent of medical trend (or increase in medical costs) this year.

We appreciate your continued membership in the CountyChoice Silver Retiree Medical Program and look forward to another year providing effective health coverage for your retirees. Once a decision has been made by Commissioners' Court, please forward the attached renewal confirmation form by fax to Ernesto Martinez at 512-481-8481. If you have any questions, please contact me at 800-456-574.

Sincerely,
