Leslie,

In reference to the rental car on the extradition trip to Marshal, Minnesota we approached the rental car counter and Identified ourselves as Fort Bend County Sheriff's Office Employee's, and asked for a rental vehicle. The clerk asked if we received any sort of discount. I advised her we worked for the county government that we just mentioned. We never requested an Expedition, which was the vehicle the clerk issued us.

The clerk behind the desk advised that this is hunting season and they increased their rates.
