

## **PUBLIC MEETING NOTICE**

Fort Bend County, in cooperation with the Texas Water Development Board, is performing a Flood Protection Planning Study on Gapps Slough and is seeking public input for the study. A "Public Meeting" to receive input, will be held at the George Memorial Library first floor meeting room at 6:30 pm on Monday, January 9, 2012. Residents of Royal Lakes Estates, Bridlewood Estates, Summer Lakes, Rivers Mist, Rivers Run, and Bonbrook Plantation subdivisions are encouraged to attend, along with representatives of businesses, churches, etc. in the vicinity of these subdivisions. For additional information contact Mark Vogler with the Fort Bend County Drainage District at 281-342-2863.
