RE: Lubricant price increase requesting a price re-determination

Dear Fort Bend County,

A long list of major oil companies and smaller independent suppliers has announced finished lubricant price increases in recent months. Some of the mark up have gone in to effect, with others taking effect as of April 18, 2011 with another increase in May 2011. I have enclosed an updated price list on the products we were awarded in the oil bid, if there are any questions please let me know.

The rising cost of crude is the driving force behind these increases, which in turn affects the base oil and additive pricing, along with raw materials handling, transportation and packaging costs.

Sun Coast Resources will continue to strive to provide you with the best products, services, technology and salespeople in the marketplace. Sun Coast values its customer highly, and we thank you for your business. Please forward a price re-determination as soon as you can get this updated.

Best wishes in 2011!!

Sincerely,

Erin Ziebell
