To: Fort Bend Commissioner Pct. 3,

RE: Harlem Road Temporary Closure

Dear Commissioner Meyers,

This letter is to request a temporary shut down on Harlem Rd. from Grand Mission Blvd. to Long Point Slough. This closure would take place the first or second week in June once school is out for the summer. I would expect construction to take approximately three weeks. We have met with Fort Bend onsite to make them aware of the closure and receive their blessing for the closure time frame.

I have attached a copy of the pertinent plan sheets and traffic control sheets for your review. If you should have any further questions please do not hesitate to contact me at 512-203-8594 or you can email me steve@lewiscontractors.com

Thanks for your time and consideration and we look forward to hearing from you.

Regards,

Steve Hugdahl
Vice President
Lewis Contractors Inc.

Steve,

Commissioner Meyers is fine with the attached road closure if you are. Can you please place it on the next agenda?

Mr. Meyers,

I was given your information by Fort Bend Engineering. We are requesting that Harlem Road from Grand Mission to Long Point Slough be closed starting the second week in June. I was told that we need to make sure this gets put on the agenda in May for approval. Attached you will find a Harlem road closure letter along with the corresponding plan sheets. If there are any other details you will need please do not hesitate to contact.
