Ms. Kaminski,

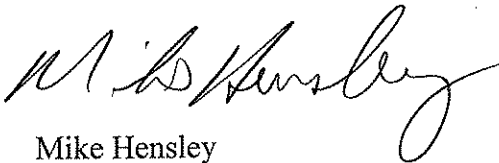

This letter is to request an increase for item 12.4 Business Cards, stock cards with gold foil seal. Recent price increases on the gold foil have gone up extremely high since our submission of Bid 08-039.

Current price for 150,000 cards is \$1350.00 and we are requesting the amount to be increased to \$1590.00 for the stock cards.

This price increase is needed because a vendor that provided a portion of this project has gone out of business. Reflection solicited three bids from competing vendors to replace the out of business vendor. All three vendors' prices were materially higher than the prices Reflection received from the previous vendor. Even though the prices were materially higher, all three were within five percent of each other. This "tight grouping" of bid prices gives Reflection great comfort that these are today's market prices.

Thank you for your consideration of this price increase.

Sincerely,

Mike Hensley
President
