Dear Property Owners,

Our negotiations for highway right of way across your property have progressed to the point that you have indicated a willingness to sign a deed in return for payment as agreed to in our previous discussions. It is thought to be in the best interests of both you and the Texas Department of Transportation to confirm this agreement in order to avoid any possible misunderstanding as to the details of the purchase or the process by which the Department will make payment.

Your property consists of 26,106 square feet located at 3121 Hartledge Rd. The right of way being purchased by the Texas Department of Transportation has been thoroughly explained. The payment of the amount of \$193,977.00 as herein agreed to will constitute full payment to be made by the Texas Department of Transportation for the property to be conveyed to the State. The consideration recited herein represents a settlement and compromise by all parties as to the value of the property herein conveyed in order to avoid formal eminent domain proceedings and the added expenses of litigation. The State and Owner(s) have agreed to the following provisions:

Until payment is made by the State, title and possession of the property to be conveyed remain with you. You shall bear all risk of loss to any and all such property prior to such payment. Either you or the State shall have the right to terminate this agreement.

Additional Clauses:

It is understood that Grantors are retaining title to the following listed bisected improvements: (1) Storage Shed.

Such improvement(s) shall be removed from the premises hereby conveyed by the Grantors within thirty (30) days of closing, subject, however, to such extensions of time as may be granted by the State in writing; but in the event Grantors fail for any reason to remove said improvement(s) within the time herein provided for, title to said improvement(s) including the portion or portions thereof located in the Grantors' remaining property, shall immediately vest in the State of Texas, all for the same consideration recited.

It is further understood and agreed that in the event title to said improvement(s) vests in the State of Texas under the provisions of the paragraph next above, Grantors authorize the State, its agents or assigns, to enter upon their remaining property for the purpose of removing said bisected improvement(s), and Grantors expressly waive all damages or claims that may result to the remaining property of the Grantors as a result of such entry and removal of said improvement(s).

SAVE and EXCEPT, HOWEVER, it is expressly understood and agreed that Grantors are retaining title to the following improvements located on the property described in said Exhibit "A" to wit: (1) Hot Tub.

Grantors covenant and agree to remove the above-described improvements from said land within thirty (30) days of closing, subject, however, to such extensions of time as may be granted by Grantee, its successor and assigns, in writing; and if, for any reason, Grantors fail or refuse to remove same within said period of time prescribed, then, without any further consideration, the title to all or any part of such improvements not so removed shall pass to and vest in the Grantee, its successors and assigns, forever.

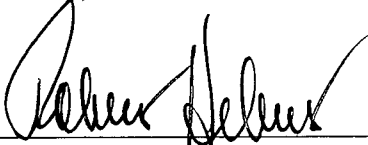

After the date of payment of the purchase price or the date of deposit in court of funds to satisfy the award of compensation as determined through eminent domain proceedings to acquire real property, you will be reimbursed for any fair and reasonable incidental expenses necessarily incurred in transferring title to the property for use by the Texas Department of Transportation. Expenses eligible for reimbursement may include (1) recording fees, transfer taxes and similar expenses incidental to conveying the real property to the Department and (2) penalty costs for prepayment of any preexisting recorded mortgage entered into in good faith encumbering the real property. Voluntary unnecessary expenses or expenses incurred in clearing questionable title will not be eligible for reimbursement. Eligible incidental expenses will be reimbursed upon submission of a claim supported by receipted bills or other evidence of actual expenses incurred. You may file a written request for review if you believe that the Department failed to properly determine the eligibility for or the amount of incidental expenses to be reimbursed. There is no standard form on which to request a review of a claim; however, the claim must be filed with this office within six months after you are notified of the Department's determination on any claim for reimbursement.

The payment of the amount herein stated and the terms provided constitute the only promises, consideration and conditions of this purchase; and, no other promises, consideration or conditions have been signified or implied, save and except any benefits which may accrue to you under the State's Relocation Assistance Program and the mutual benefits to be derived by you and the Texas Department of Transportation from the signing of this agreement.

The State, without cost to you as the owner, will pay the cost of recording all instruments conveying title to the State.

It is suggested that you carefully review the proposed deed and satisfy yourself (-selves) as to its (their) provisions. With your signing of this agreement and execution of the deed, the State will proceed with the issuance of a State warrant, which will be made out jointly to you and to Stewart Title, agent for the State of Texas. This company has been designated as the State's closing agent and is responsible to see that the Texas Department of Transportation obtains clear title. They will not endorse the warrant and make payment until clear title is secured. At the same time, you have the right not to endorse the warrant and accept payment until you are fully satisfied on all details of the transaction.

Sincerely,

Judge Robert E. Hebert
Fort Bend County Judge

June 18, 2012

I (We) fully understand the Texas Department of Transportation's proposal as contained in this agreement and hereby acknowledge receipt of the brochure entitled "*Relocation Assistance*." I (We) understand that relocation assistance benefits are handled entirely separate from and in addition to this transaction.
