Additional Work Authorization

Dear Mark,

Percheron Acquisitions has been working on the negotiations on the parcels associated with the Mason Rd. Expansion Project and Falcon Landing Blvd. Project. We are requesting an additional \$10,000 to complete the following steps:

- Finalize the documents and close out the files for Falcon Landing
- Close out files for Mason Road
- Additional ROW acquisition assistance as requested by the County

This additional work authorization is a not-to-exceed amount of \$10,000, and the invoicing will reflect actual time and expenses spent at the established billing rates for various personnel pursuant to our contract.

Thank you for your attention to this matter and please feel free to contact me if you have any questions or if I can be of further assistance.

Sincerely,

  
Ana B. Rausch  
Senior Vice President
