STATE OF TEXAS §

COUNTY OF TRAVIS §

**ADVANCE FUNDING AGREEMENT
For Bridge Replacement or Rehabilitation
Off the State System**

THIS Advance Funding Agreement (the Agreement) is made by and between the State of Texas, acting by and through the Texas Department of Transportation, called the "State", and the Fort Bend County, acting by and through its duly authorized officials, called the "Local Government."

WITNESSETH

WHEREAS, Title 23 United States Code Section 144 authorizes federal funds to assist the states in the replacement or rehabilitation of deficient bridges located on public highways, roads, and streets, including those under the jurisdiction of local governments; and

WHEREAS, the Texas Transportation Code Sections 201.103 and 222.052 establish that the State shall plan and make policies for the construction of a comprehensive system of state highways and public roads in cooperation with local governments; and

WHEREAS, the Local Government owns one or more bridges on a public road or street located at Hurta Road at Buffalo Creek, and these bridges are included in the currently approved off-state system federal-aid Highway Bridge Replacement and Rehabilitation Program (HBRRP) as authorized by Texas Transportation Commission Minute Order Number 113074, dated April 26, 2012; and

WHEREAS, the Governing Body of the Local Government has approved entering into this Agreement by resolution or ordinance, which is attached to and made a part of this agreement as Attachment A for the development of the specific programmed replacement or rehabilitation project, called the "Project". The Project is identified in the location map shown as Attachment B, which is attached to and made a part of this agreement.

NOW, THEREFORE, in consideration of the premises and of the mutual covenants and agreements of the parties, to be by them respectively kept and performed as set forth, it is agreed as follows:

AGREEMENT

1. Period of this Agreement

This Agreement becomes effective when signed by the last party whose signing makes the Agreement fully executed. This Agreement shall remain in effect until terminated as provided in Article 2.

2. Termination of this Agreement

This Agreement shall remain in effect until the Project is completed and accepted by all parties, unless:

- A. The Agreement is terminated in writing with the mutual consent of the parties;
- B. The Agreement is terminated by one party because of a breach, in which case any cost incurred because of the breach shall be paid by the breaching party;
- C. The Local Government elects not to develop the project and the project does not proceed, in which case the Local Government agrees to reimburse the State for one-hundred percent (100%) of its reasonable actual direct and indirect costs incurred for the project; or
- D. The project is inactive for thirty-six (36) months or longer and no expenditures have been charged against federal funds, in which case the State may at its discretion terminate the agreement.

3. Amendments

Amendments to this Agreement may be made due to changes in the character of the work, the terms of the Agreement, or the responsibilities of the parties. Amendments shall be enacted through a mutually agreed upon written amendment executed by all parties to this Agreement.

4. Remedies

This Agreement shall not be considered as specifying the exclusive remedy for any Agreement default, but all remedies existing at law and in equity may be availed of by either party to this Agreement and shall be cumulative.

5. Scope of Work

The scope of work for this Agreement is the replacement or rehabilitation of the bridges identified in the recitals of this Agreement. This replacement or rehabilitation shall be accomplished in the manner described in the plans, specifications, and estimates developed in accordance with this Agreement and which are incorporated in this agreement by reference.

6. Right of Way and Real Property

- A. The Local Government is responsible for the provision and acquisition of all necessary right of way and will not be reimbursed with federal or state funds for the required right of way.
- B. The Local Government authorizes the State, its consultant, contractor, or other designated representative to enter the sites of these bridges and adjacent right of way or relocation right of way to perform surveys, inspections, construction, and other activities necessary to replace or rehabilitate these bridges and approaches.

7. Adjustment of Utilities

The Local Government shall be responsible for the adjustment, removal, or relocation of utility facilities in accordance with applicable state laws, regulations, rules, policies, and procedures, including any cost to the State of a delay resulting from the Local Government's failure to ensure that utility facilities are adjusted, removed, or relocated before the scheduled beginning of construction. The Local Government will not be reimbursed with federal or state funds for the cost of required utility work. The Local Government must obtain advance approval for any variance from established procedures. Before a construction contract is let, the Local Government shall provide, at the State's request, a certification stating that the Local Government has completed the adjustment of all utilities that must be adjusted before construction is completed.

8. Environmental Assessment and Mitigation

Development of the Project must comply with the National Environmental Policy Act and the National Historic Preservation Act of 1966, which require environmental clearance of federal-aid projects.

- A. The State is responsible for the identification and assessment of any environmental problems associated with the development of the Project governed by this Agreement.
- B. Cost participation in environmental assessment and remediation work shall be paid by the parties in the same ratio as construction costs and will be included in the construction costs identified in Attachment D, Estimate of Direct Costs.
- C. The State is responsible for providing any public meetings or public hearings required for development of the environmental assessment.
- D. The State will not begin construction of the Project until identified environmental problems have been remediated, unless provided for otherwise.

9. Compliance with Texas Accessibility Standards and ADA

All parties to this Agreement shall ensure that the plans for and the construction of the Project subject to this Agreement are in compliance with the Texas Accessibility

Standards (TAS) issued by the Texas Department of Licensing and Regulation, under the Architectural Barriers Act, Article 9102, Texas Civil Statutes. The TAS establishes minimum accessibility requirements to be consistent with minimum accessibility requirements of the Americans with Disabilities Act (P.L. 101-336) (ADA).

10. Architectural and Engineering Services

The State is responsible for performance of any required architectural or preliminary engineering work. The Local Government may review and comment on the work as required to accomplish the public purposes of the Local Government. The State will cooperate fully with the Local Government in accomplishing these local public purposes to the degree permitted by state and federal law. The Local Government review shall not unduly delay the development of the Project.

11. Construction Responsibilities

- A. The State shall advertise for construction bids, issue bid proposals, receive and tabulate the bids, and award and administer the contract for construction of the Project. Administration of the contract includes the responsibility for construction engineering and for issuance of any change orders, supplemental agreements, amendments, or additional work orders that may become necessary subsequent to the award of the construction contract. In order to ensure federal funding eligibility, projects must be authorized by the State prior to advertising for construction.
- B. Upon completion of the Project, the State will issue a "Notification of Completion" acknowledging the Project's construction completion.

12. Project Maintenance

After the Project has been completed, the Local Government shall accept full ownership, and operate and maintain the facilities authorized by this Agreement for the benefit of and at no charge of toll to the public. This covenant shall survive the completion of construction under this Agreement.

13. Local Project Sources and Uses of Funds

- A. A Project Cost Estimate is provided in Attachment D, Estimate of Direct Costs.
- B. Attachment D provides a source of funds estimate as well as the estimated direct preliminary engineering, construction engineering, and construction costs for the Project in total and by the Local Government.
- C. The required Local Government participation is based solely upon the State's estimate of the eligible work at the time this Agreement is executed and will not be adjusted during construction except as needed to include any Project cost item or portion of a cost item ineligible for state or federal participation. In

addition to its share of estimated direct engineering and construction costs, the Local Government is responsible for the direct cost of any project cost item or portion of a cost item that is not eligible for federal participation under the federal HBRRP. The Local Government is also responsible for any cost resulting from changes made at the request of the Local Government. The State and the Federal Government will not reimburse the Local Government for any work performed before federal spending authority is formally obligated to the Project by the Federal Highway Administration. After federal funds have been obligated, the State will send to the Local Government a copy of the formal documentation showing the obligation of funds including federal award information.

- D. If the Local Government will perform any work under this contract for which reimbursement will be provided by or through the State, the Local Government must complete training before federal spending authority is obligated. Training is complete when at least one individual who is working actively and directly on the Project successfully completes and receives a certificate for the course entitled *Local Government Project Procedures Qualification for the Texas Department of Transportation*. The Local Government shall provide the certificate of qualification to the State. The individual who receives the training certificate may be an employee of the Local Government or an employee of a firm that has been contracted by the Local Government to perform oversight of the Project. The State in its discretion may deny reimbursement if the Local Government has not designated a qualified individual to oversee the Project.
- E. After execution of this Agreement, but thirty (30) days prior to the performance of any work by the State, the Local Government shall remit to the State the amount specified in Attachment D for the Local Government's contribution for preliminary engineering. The Local Government will pay, at a minimum, its funding share for this estimated cost of preliminary engineering.
- F. Forty-five (45) days prior to the date set for receipt of the construction bids, the Local Government shall remit its remaining financial share for the State's estimated construction oversight and construction costs and any other costs owed.
- G. If, at the completion or termination of the Project, the State determines that additional funding is required by the Local Government, the State shall notify the Local Government in writing. The Local Government shall make payment to the State within thirty (30) days from receipt of the State's written notification.
- H. Whenever funds are paid by the Local Government to the State under this Agreement, the Local Government shall remit a check or warrant made payable to the "Texas Department of Transportation Trust Fund." The check or warrant shall be deposited by the State in an escrow account to be managed by the State. Funds in the escrow account may only be applied to the State Project.

Code Chart 64 #50080
Project: BR ()
NBI Structure #12-080-0-AA0790-001
Federal Highway Administration
CFDA #20.205
Location: Hurta Road at Buffalo Creek

- I. Upon completion of the Project, the State will perform an audit of the Project costs. Any funds due to the Local Government, the State, or the Federal Government will be promptly paid by the owing party.
- J. The State will not pay interest on any funds provided by the Local Government.
- K. The Local Government funding participation responsibilities include Project direct costs only, except when the Project is terminated before completion at the request of the Local Government as addressed in the Termination provision of this Agreement.
- L. The amounts shown on Attachment D are estimates only. If actual costs exceed the estimates, this shall be considered a fixed price agreement, and no additional funding shall be required of the Local Government except to the extent that the additional costs result from changes made at the request of the Local Government or to the extent that the additional costs are not eligible for federal participation under the federal HBRRP. If actual costs are less than the estimates, Local Government participation shall be recalculated based on actual costs. If the recalculation results in a reduction in participation by the Local Government, the State shall pay the difference to the Local Government upon completion of the Project.
- M. Under the provisions of Texas Transportation Code Section 222.053 certain counties qualify as Economically Disadvantaged Counties (EDC) in comparison to other counties in the state as below average per capita property value, below average per capita income, and above average unemployment, for certain years. If applicable, in consideration of such EDC status that may be applicable for the Project, the required local match fund participation has been adjusted to N/A percent (N/A%).
- N. The State will not execute the contract for the construction of a Project until the required funding has been made available by the Local Government in accordance with this Agreement.
- O. The state auditor may conduct an audit or investigation of any entity receiving funds from the State directly under this contract or indirectly through a subcontract under this contract. Acceptance of funds directly under this contract or indirectly through a subcontract under this contract acts as acceptance of the authority of the state auditor, under the direction of the legislative audit committee, to conduct an audit or investigation in connection with those funds. An entity that is the subject of an audit or investigation must provide the state auditor with access to any information the state auditor considers relevant to the investigation or audit.
- P. The Local Government is authorized to submit requests for reimbursement by submitting the original of an itemized invoice in a form and containing all items required by the State no more frequently than monthly, and no later than ninety (90) days after costs are incurred. If the Local Government submits invoices

more than ninety (90) days after the costs are incurred, and if federal funding is reduced as a result, the State shall have no responsibility to reimburse the Local Government for those costs.

14. Performance by Local Government of Equivalent-Match Projects (EMP) in Return for Waiver of Local Match Participation Funding on Participation-Waived Projects (PWP)

- A. Applicability.** If a request for waiver has been received and approved by the State's District Engineer, then the required ten percent matching fund participation or percent as adjusted for EDC consideration, as shown in Attachment D, Estimate of Direct Costs, but excluding ineligible costs under the bridge program, is waived. This waiver is based on the commitment of the Local Government to spend an equivalent amount of funds for structural or safety improvement on "other" bridge structures and other conditions as specified in 43 TAC Section 15.55(d). If a waiver has been granted, the Project shall be defined to be a PWP and the work on the "other" bridge structures that will be improved by the Local Government shall be defined to be the EMPs. Attachment C to this Agreement shows a list of EMPs under this Agreement.
- B. Project Cost Estimate for PWP.** Attachment D to this Agreement shows the estimated direct preliminary engineering, construction engineering, and construction costs for the PWP in total and local match fund participation being waived or partially waived.
- C. Credit Against EMP Work.** Any local match fund participation that has already been paid, or which the Local Government is agreeable to paying to the State, will be credited against EMP work to be performed by the Local Government. If applicable, this credit will be reflected in Attachment D to this Agreement.
- D. Responsibilities of the Local Government on EMPs.**
 - 1. The Local Government shall be responsible for all engineering and construction, related costs, and compliance with all applicable state and federal environmental regulations and permitting requirements.
 - 2. The structural or safety improvement work on the EMPs shall be performed subsequent to the final execution of this Agreement but within three (3) calendar years after the earliest contract award of the related PWPs.
 - 3. Written documentation, suitable for audit, of the structural or safety improvement work completed on the EMPs shall be kept on file by the Local Government for four (4) years after completion of work or claims, lawsuits, or audits related to those items, whichever is longer. A notice of completion of work on the EMPs shall be delivered to the State's District Engineer no later than thirty (30) calendar days after work is completed on the EMPs.

Location: Hurta Road at Buffalo Creek

4. Failure by the Local Government to adequately complete the EMPs within the stated three-year period shall result in the Local Government being excluded from receiving such waivers for a minimum of five (5) years.

- E. Funding of Ineligible or Additional Work Not Waived. Regardless of any waiver of eligible program costs, the Local Government shall pay the State one-hundred percent (100%) of the cost of any PWP item or portion of a cost item that is not eligible for federal or state participation, and one-hundred percent (100%) of the costs resulting from additional work on the PWP performed solely at the request of the Local Government. If the ineligible or additional work is preliminary engineering, the payment shall be made at least thirty (30) days prior to the beginning of preliminary engineering work on the PWP. If the ineligible or additional work is for construction or construction engineering, the payment shall be made at least forty-five (45) days prior to the date set for receipt of bids for construction of the PWP.

15. Notices

All notices to either party by the other required under this Agreement shall be delivered personally or sent by certified or U.S. mail, postage prepaid, addressed to such party at the following addresses:

State: Mr. Michael W. Alford, P.E.
District Engineer
Texas Department of Transportation
P. O. Box 1386
Houston, Texas 77251-1386

Local Government: The Honorable Robert E. Hebert
County Judge, Fort Bend County
301 Jackson, Suite 719
Richmond, Texas 77469

All notices shall be deemed given on the date so delivered or so deposited in the mail, unless otherwise provided in this agreement. Either party may change the above address by sending written notice of the change to the other party. Either party may request in writing that such notices shall be delivered personally or by certified U.S. mail and such request shall be honored and carried out by the other party.

16. Legal Construction

In case one or more of the provisions contained in this Agreement shall for any reason be held invalid, illegal, or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect any other provisions and this Agreement shall be construed as if it did not contain the invalid, illegal, or unenforceable provision.

17. Responsibilities of the Parties

The parties to this Agreement agree that no party is an agent, servant, or employee of the other party and each party agrees it is responsible for its individual acts and deeds as well as the acts and deeds of its contractors, employees, representatives, and agents.

18. Ownership of Documents

Upon completion or termination of this Agreement, all documents prepared by the State shall remain the property of the State. All data prepared under this Agreement shall be made available to the State without restriction or limitation on their further use. All documents produced or approved or otherwise created by the Local Government shall be transmitted to the State in the form of photocopy reproduction on a monthly basis as required by the State. The originals shall remain the property of the Local Government. At the request of the State, the Local Government shall submit any information required by the State in the format directed by the State.

19. Compliance with Laws

The parties shall comply with all federal, state, and local laws, statutes, ordinances, rules and regulations, and the orders and decrees of any courts or administrative bodies or tribunals in any manner affecting the performance of this Agreement. When required, the Local Government shall furnish the State with satisfactory proof of this compliance.

20. Sole Agreement

This Agreement constitutes the sole and only agreement between the parties and supersedes any prior understandings or written or oral agreements respecting the subject matter of this Agreement.

21. Office of Management and Budget (OMB) Cost Principles

In order to be reimbursed with federal funds, the parties shall comply with the Cost Principles established in OMB Circular A-87 that specify that all reimbursed costs are allowable, reasonable, and allocable to the Project.

22. Procurement and Property Management Standards

The parties shall adhere to the procurement standards established in Title 49 CFR §18.36 and with the property management standard established in Title 49 CFR §18.32.

23. Inspection of Books and Records

The parties to the Agreement shall maintain all books, documents, papers, accounting records, and other documentation relating to costs incurred under this Agreement and shall make such materials available to the State, the Local Government, and, if federally funded, the Federal Highway Administration (FHWA) and the U.S. Office of the Inspector General, or their duly authorized representatives, for review and inspection at its office during the contract period and for four (4) years from the date of completion of work defined under this contract or until any impending litigation or claims are resolved. Additionally, the State, the Local Government, the FHWA, and their duly authorized representatives shall have access to all the governmental records that are directly applicable to this Agreement for the purpose of making audits, examinations, excerpts, and transcriptions.

24. Civil Rights Compliance

The parties to this Agreement shall comply with the regulations of the U.S. Department of Transportation as they relate to nondiscrimination (49 CFR Part 21 and 23 CFR Part 200), and Executive Order 11246 titled "Equal Employment Opportunity," as amended by Executive Order 11375 and supplemented in the Department of Labor Regulations (41 CFR Part 60).

25. Disadvantaged Business Enterprise (DBE) Program Requirements

- A. The parties shall comply with the Disadvantaged Business Enterprise Program requirements established in 49 CFR Part 26.
- B. The Local Government shall adopt, in its totality, the State's federally approved DBE program.
- C. The Local Government shall set an appropriate DBE goal consistent with the State's DBE guidelines and in consideration of the local market, project size, and nature of the goods or services to be acquired. The Local Government shall have final decision-making authority regarding the DBE goal and shall be responsible for documenting its actions.
- D. The Local Government shall follow all other parts of the State's DBE program referenced in TxDOT Form 2395, Memorandum of Understanding Regarding the Adoption of the Texas Department of Transportation's Federally-Approved Disadvantaged Business Enterprise by Entity and attachments found at web address http://txdot.gov/business/business_outreach/mou.htm.

- E.** The Local Government shall not discriminate on the basis of race, color, national origin, or sex in the award and performance of any U.S. Department of Transportation (DOT)-assisted contract or in the administration of its DBE program or the requirements of 49 CFR Part 26. The Local Government shall take all necessary and reasonable steps under 49 CFR Part 26 to ensure non-discrimination in award and administration of DOT-assisted contracts. The State's DBE program, as required by 49 CFR Part 26 and as approved by DOT, is incorporated by reference in this agreement. Implementation of this program is a legal obligation and failure to carry out its terms shall be treated as a violation of this agreement. Upon notification to the Local Government of its failure to carry out its approved program, the State may impose sanctions as provided for under 49 CFR Part 26 and may, in appropriate cases, refer the matter for enforcement under 18 U.S.C. 1001 and the Program Fraud Civil Remedies Act of 1986 (31 U.S.C. 3801 et seq.).
- F.** Each contract the Local Government signs with a contractor (and each subcontract the prime contractor signs with a sub-contractor) must include the following assurance: *The contractor, sub-recipient, or sub-contractor shall not discriminate on the basis of race, color, national origin, or sex in the performance of this contract. The contractor shall carry out applicable requirements of 49 CFR Part 26 in the award and administration of DOT-assisted contracts. Failure by the contractor to carry out these requirements is a material breach of this agreement, which may result in the termination of this agreement or such other remedy as the recipient deems appropriate.*

26. Debarment Certifications

The parties are prohibited from making any award at any tier to any party that is debarred or suspended or otherwise excluded from or ineligible for participation in Federal Assistance Programs under Executive Order 12549, "Debarment and Suspension." By executing this agreement, the Local Government certifies that it is not currently debarred, suspended, or otherwise excluded from or ineligible for participation in Federal Assistance Programs under Executive Order 12549 and further certifies that it will not do business with any party that is currently debarred, suspended, or otherwise excluded from or ineligible for participation in Federal Assistance Programs under Executive Order 12549. The parties to this contract shall require any party to a subcontract or purchase order awarded under this contract to certify its eligibility to receive Federal funds and, when requested by the State, to furnish a copy of the certification.

27. Lobbying Certification

In executing this Agreement, each signatory certifies to the best of that signatory's knowledge and belief, that:

- A. No federal appropriated funds have been paid or will be paid by or on behalf of the parties to any person for influencing or attempting to influence an officer or employee of any federal agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any federal contract, the making of any federal grant, the making of any federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any federal contract, grant, loan, or cooperative agreement.
- B. If any funds other than federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with federal contracts, grants, loans, or cooperative agreements, the signatory for the Local Government shall complete and submit the Federal Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.
- C. The parties shall require that the language of this certification be included in the award documents for all sub-awards at all tiers (including subcontracts, sub-grants, and contracts under grants, loans, and cooperative agreements) and all sub-recipients shall certify and disclose accordingly. Submission of this certification is a prerequisite for making or entering into this transaction imposed by Title 31 U.S.C. §1352. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

28. Federal Funding Accountability and Transparency Act Requirements

- A. Any recipient or sub-recipient of funds under this agreement agrees to comply with the Federal Funding Accountability and Transparency Act (FFATA) and implementing regulations at 2 CFR Part 170, including Appendix A. This agreement is subject to the following award terms:
<http://edocket.access.gpo.gov/2010/pdf/2010-22705.pdf> and
<http://edocket.access.gpo.gov/2010/pdf/2010-22706.pdf>.
- B. For sub-awards greater than \$25,000, the Local Government, as a recipient of federal funding, agrees that it shall:
 - 1. Obtain and provide to the State and the federal government, a Central Contracting Registry (CCR) number with the federal government (Federal Acquisition Regulation, Part 4, Sub-part 4.1100). The CCR number may be obtained by visiting the CCR web-site whose address is:
<https://www.bpn.gov/ccr/default.aspx>;
 - 2. Obtain and provide to the State and the federal government, a Data Universal Numbering System (DUNS) number, a unique nine-character number that allows the federal government to track the distribution of federal money. The

DUNS number may be requested free of charge for all businesses and entities required to do so by visiting the Dun & Bradstreet (D&B) on-line registration website <http://fedgov.dnb.com/webform>; and

3. Report the total compensation and names of its top executives to the State and federal government if:
 - i. More than 80% of annual gross revenues are from the Federal government, and those revenues are greater than \$25,000,000 annually; and
 - ii. Compensation information is not already available through reporting to the U.S. Securities and Exchange Commission (SEC).

29. Successors and Assigns

The State and the Local Government each binds itself, its successors, executors, assigns, and administrators to the other party to this Agreement and to the successors, executors, assigns, and administrators of such other party in respect to all covenants of this Agreement.

30. Local Government Restrictions

In the case that the Local Government has an existing, future, or proposed local ordinance, commissioners court order, rule, policy, or other directive that is more restrictive than the state or federal regulations that results in an increase cost to the State for the project, the local government is responsible for all increased costs associated with the ordinance, order, policy, directive, or change.

31. Single Audit Report

- A. The parties shall comply with the requirements of the Single Audit Act of 1984, P.L. 98-502, ensuring that the single audit report includes the coverage stipulated in OMB Circular A-133.
- B. If threshold expenditures of \$500,000 or more are met during the Sub-recipient's fiscal year, the Sub-recipient must submit a Single Audit Report and Management Letter (if applicable) to TxDOT's Audit Office, 125 East 11th Street, Austin, TX 78701 or contact TxDOT's Audit Office at http://www.txdot.gov/contact_us/audit.htm.
- C. If expenditures are less than \$500,000 during the Sub-recipient's fiscal year, the Sub-recipient must submit a statement to TxDOT's Audit Office as follows: "We did not meet the \$500,000 expenditure threshold and therefore, are not required to have a single audit performed for FY _____."
- D. For each year the project remains open for federal funding expenditures, the Local Government will be responsible for filing a report or statement as described above. The required annual filing shall extend throughout the life of the

agreement, unless otherwise amended or the project has been formally closed out and no charges have been incurred within the current fiscal year.

32. Signatory Warranty

Each signatory warrants that the signatory has necessary authority to execute this agreement on behalf of the entity represented.

THIS AGREEMENT IS EXECUTED by the State and the Local Government in duplicate.

**SUBJECT: Request for Waiver of Local Match Fund
Participation Requirement on Federal
Off-System Bridge Program Project**

**County: Fort Bend
Project: BR
Road/Street: Resolution Enclosed
NBI No.: Resolution Enclosed**

Dear Mr. Alford:

Under the provisions of Texas Administrative Code, Title 43, Section 15.55(d), this Local Government requests waiver of the local match fund participation requirement on the projects contained in the attached resolution of the federal off-system bridge program project referred to as the "participation-waived" project. In return for waiver of this participation, it is proposed that our governing body perform, or cause to be performed, an equivalent dollar amount of structural improvement work on other deficient bridge(s) or deficient mainlane cross-drainage structure(s), referred to as "equivalent-match project(s)", within the jurisdiction of our governing body.

A copy of the appropriate required resolution adopted by our governing body is attached.

If there are any questions or need for additional information, please call Louis E. Hood, P.E. in our Engineering Department at telephone 281-633-7510.

Sincerely,

Judge Robert E. Hebert
Fort Bend County Judge

RESOLUTION

THE STATE OF TEXAS §

COUNTY OF FORT BEND §

WHEREAS, the federal off-system bridge program is administered by the Texas Department of Transportation (the State) to replace or rehabilitate structurally deficient and functionally obsolete (collectively referred to as deficient) bridges located on public roads and streets off the designated state highway system; and

WHEREAS, Fort Bend County, hereinafter referred to as the Local Government owns bridges located at; and

Location of Bridge	National Bridge Inventory Number (NBI)	Control-Section-Job number (CSJ)
Hurta Road at Buffalo Creek	12-080-0-AA0790-001	0912-34-180

WHEREAS, projects to remedy these bridges are included in the currently approved program of projects as authorized by Texas Transportation Commission Minute Order Number 113074 dated April 26, 2012; and

WHEREAS, the usual fund participation ratio for projects on such program is 80 percent federal, 10 percent state and 10 percent Local Government; and

WHEREAS, Texas Administrative Code, Title 43, Section 15.55(d) (43 TAC Section 15.55(d)) provides that under specified conditions the 10 percent Local Government match fund participation requirement may be waived with agreement by the Local Government to perform, or cause to be performed, an equivalent dollar amount of structural improvement work on other deficient bridges or deficient mainlane cross-drainage structures within its jurisdiction or the jurisdiction of a geographically adjacent or overlapping governmental unit, such a project of structural improvement work being referred to as an "equivalent-match project"; and

WHEREAS, the estimated local match fund participation requirement on the approved federal off-system bridge project(s) is \$102,245.00 (dollars), hereinafter referred to as the "participation-waived" project(s), such participation requirement the Local Government proposes be waived and in return perform or cause to be performed equivalent-match project structural improvement work.

WHEREAS, the Local Government has determined that the enactment of this resolution serves a public purpose;

THEREFORE, BE IT RESOLVED that the Local Government perform, or cause to be performed, the following equivalent-match project(s) in return for waiver of the local match fund participation requirement on the approved federal off-system bridge program (participation-waived) project(s) not yet awarded:

LOCATION (and NBI structure identification number, if applicable)	ON SCHOOL BUS ROUTE?	DESCRIPTION OF STRUCTURAL IMPROVEMENT WORK	ESTIMATED COST
Jeske Road at Fairchilds Creek, NBI No. 12-080-0-AA0755-001	Yes	Replace existing wood bridge with new concrete bridge	\$161,200.00

BE IT FURTHER RESOLVED that in receiving this waiver the Local Government acknowledges its obligation to conform with all conditions of 43 TAC Section 15.55(d); such conditions that include but are not restricted to the following:

1. The Local Government must be currently in compliance with load posting and closure regulations as defined in National Bridge Inspection Standards under US Code of Federal Regulations, Title 23, Section 650.303.
2. The equivalent-match project work increases the load capacity of the existing bridge or other mainlane cross-drainage structure, or upgrades the structure to its original load capacity with a minimum upgrade to safely carry school bus loading if located on a school bus route.
3. In performing, or causing to be performed, the equivalent-match project(s), the Local Government assumes all responsibilities for engineering and construction, and complying with all applicable state and federal environmental regulations and permitting requirements for the structures being improved.
4. The work on the proposed equivalent-match project(s) has not begun and will not begin until the local match fund participation waiver approval process has been completed.
5. The Local Government will be allowed three years after the contract award of the participation-waived projects to complete the structural improvement work on the equivalent-match project(s).
6. Should this waiver request be approved, an appropriate written agreement or amendment to a previously executed agreement will be executed between the State and Local Government.

BE IT FURTHER RESOLVED, that the Preamble of this resolution is hereby adopted as if fully set forth herein. This resolution shall be in full force and effect upon its passage and approval as provided by law.

Adopted by the Fort Bend County Commissioner's Court this 26 day of June, 2012.

FORT BEND COUNTY

By: Robert E. Hebert
Robert E. Hebert, County Judge

ATTEST:

Dianne Wilson
Dianne Wilson, County Clerk
