

**FIRST AMENDMENT TO INTERLOCAL AGREEMENT
FOR USE OF PUBLIC SAFETY RADIO SYSTEM**

THE STATE OF TEXAS §
 §
COUNTY OF HARRIS §

This First Amendment to the Interlocal Agreement for Use of Public Safety Radio System is made pursuant to chapter 791 of the Texas Government Code and entered into by and between **Harris County, Texas** (the "County"), acting by and through its governing body, the Harris County Commissioners Court, and **Fort Bend County** (the "User"), acting by and through its governing body, the Fort Bend Commissioners Court.

WITNESSETH:

WHEREAS, on **January 27, 2004**, the County and User entered into an agreement for user to obtain access to the County's communications systems in order to communicate among various public safety units, hereinafter designated the "Agreement;" and

WHEREAS, the parties desire the ability to send and receive invoices on a monthly basis and to be notified of such invoices by electronic mail.

NOW, THEREFORE, in consideration of the mutual covenants, agreements, and benefits to both parties, it is agreed that any prior references to the User agreeing to prepay the County for total fees for the entire year at the beginning of each term of this Agreement shall be removed; and

IT IS FURTHER AGREED that the User expressly agrees to pay any monthly charges in full after the end of each month during the term of this Agreement, based upon the number of the Radio Units/Mobile Digital Terminals then in service. Should the User change the number of Radio Units/Mobile Digital Terminals in service during a monthly billing period, the monthly charge will be increased or decreased proportionally. Notwithstanding any provision to the contrary, the parties agree that the County may provide such monthly invoices to the User by e-mail sent to a mutually agreed upon e-mail address; and

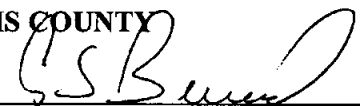

IT IS FURTHER AGREED that all other terms and provisions of the Agreement shall remain in full force and effect as originally written and amended, if applicable.
