Dear Property Owners,

Our negotiations for highway right of way across your property have progressed to the point that you have indicated a willingness to sign a deed in return for payment as agreed to in our previous discussions. It is thought to be in the best interests of both you and the Texas Department of Transportation to confirm this agreement in order to avoid any possible misunderstanding as to the details of the purchase or the process by which the Department will make payment.

Your property consists of 97,579 square feet located at 5207 Gerken Road. The right of way being purchased by the Texas Department of Transportation has been thoroughly explained. The payment of the amount of \$240,491.00 as herein agreed to will constitute full payment to be made by the Texas Department of Transportation for the property to be conveyed to the State. The State and Owner(s) have agreed to the following provisions:

Until payment is made by the State, title and possession of the property to be conveyed remain with you. You shall bear all risk of loss to any and all such property prior to such payment. Either you or the State shall have the right to terminate this agreement.

Additional Clauses:

And for the same consideration described above, and upon the same conditions, Grantors do hereby bargain, sell and convey unto the State of Texas that portion of the following improvement(s) located on the remaining property out of which the above-described premises were originally a portion, to wit: (1) Cement Patio.

Grantors understand and agree that it will be necessary for the State to enter upon their remaining property out of which the above-described property was conveyed for the purpose of removing that portion of the above-described improvement (s) which is located on such Grantors' remaining property. Grantors hereby authorize the State, its agents or assigns, to enter upon such remaining property for the purpose of removing said improvement (s) and expressly waive all damages or claims that may result to the remaining property of the Grantors as a result of such entry and removal of said improvement (s).

SAVE and EXCEPT, HOWEVER, it is expressly understood and agreed that Grantors are retaining title to the following improvements located on the property described in said Exhibit "A" to wit: None.

Grantors covenant and agree to remove the above-described improvements from said land within thirty (30) days of closing, subject, however, to such extensions of time as may be granted by Grantee, its successor and assigns,

in writing; and if, for any reason, Grantors fail or refuse to remove same within said period of time prescribed, then, without any further consideration, the title to all or any part of such improvements not so removed shall pass to and vest in the Grantee, its successors and assigns, forever.

After the date of payment of the purchase price or the date of deposit in court of funds to satisfy the award of compensation as determined through eminent domain proceedings to acquire real property, you will be reimbursed for any fair and reasonable incidental expenses necessarily incurred in transferring title to the property for use by the Texas Department of Transportation. Expenses eligible for reimbursement may include (1) recording fees, transfer taxes and similar expenses incidental to conveying the real property to the Department and (2) penalty costs for prepayment of any preexisting recorded mortgage entered into in good faith encumbering the real property. Voluntary unnecessary expenses or expenses incurred in clearing questionable title will not be eligible for reimbursement. Eligible incidental expenses will be reimbursed upon submission of a claim supported by receipted bills or other evidence of actual expenses incurred. You may file a written request for review if you believe that the Department failed to properly determine the eligibility for or the amount of incidental expenses to be reimbursed. There is no standard form on which to request a review of a claim; however, the claim must be filed with this office within six months after you are notified of the Department's determination on any claim for reimbursement.

The payment of the amount herein stated and the terms provided constitute the only promises, consideration and conditions of this purchase; and, no other promises, consideration or conditions have been signified or implied, save and except any benefits which may accrue to you under the State's Relocation Assistance Program and the mutual benefits to be derived by you and the Texas Department of Transportation from the signing of this agreement.

The State, without cost to you as the owner, will pay the cost of recording all instruments conveying title to the State.

It is suggested that you carefully review the proposed deed and satisfy yourself (-selves) as to its (their) provisions. With your signing of this agreement and execution of the deed, the State will proceed with the issuance of a State warrant, which will be made out jointly to you and to Stewart Title, agent for the State of Texas. This company has been designated as the State's closing agent and is responsible to see that the Texas Department of Transportation obtains clear title. They will not endorse the warrant and make payment until clear title is secured. At the same time, you have the right not to endorse the warrant and accept payment until you are fully satisfied on all details of the transaction.

Sincerely,

Raymond Johnson
Consulant to: Texas Department of Transportation, East Region

I (We) fully understand the Texas Department of Transportation's proposal as contained in this agreement and hereby acknowledge receipt of the brochure entitled "*Relocation Assistance*." I (We) understand that relocation assistance benefits are handled entirely separate from and in addition to this transaction.

WAIVER OF INSPECTION AND DISCLOSURE NOTICE

RE: Stewart Title of Fort Bend GF No.1015733076

Brief Description of Property:

2.2401 acre tract, more or less, out of the A. J. James Survey, Abstract No. 37 Fort Bend County, Texas

THE UNDERSIGNED BUYER/BORROWER HEREBY ACKNOWLEDGES RECEIPT OF THE FOLLOWING NOTICE FROM STEWART TITLE COMPANY PRIOR TO CLOSING:

1. Waiver of Inspection.

You may refuse to accept an exception to "Rights of Parties in Possession." "Rights of Parties in Possession" means one or more persons who are themselves actually physically occupying the land or a portion thereof under a claim of right which may be adverse to the record owner of the land as shown in Schedule A of the Commitment. The Company may require an inspection and additional charge for reasonable and actual costs to inspect, and may make additional exceptions for matters the inspection reveals. If you do not delete this paragraph, you consent to this exception and waive inspection of the land.

YOU MAY REFUSE TO ACCEPT THIS EXCEPTION BY MARKING OUT THIS PARAGRAPH 1 AND PAYING THE ADDITIONAL COSTS INVOLVED.

2. Receipt of Commitment.

You acknowledge having received and reviewed a copy of the Title Commitment issued in connection with this transaction. You understand that your Owner Policy will contain the exceptions set forth in Schedule B, and any unresolved items set forth in Schedule C of the Commitment, and any additional exceptions to title resulting from the documents involved in this transaction, and any additional exceptions reflected by an exhibit attached hereto.

3. Survey.

If we have been furnished with a current survey of the subject property acceptable to us, you may request amendment of the "Area and Boundary Exception" to read "Shortages in Area." The Area and Boundary Exceptions is as follows: "Any discrepancies, conflicts, or shortages in area or boundary lines, or any encroachments, or protrusions, or any overlapping of improvements." You must furnish a current survey. The survey must be acceptable to the Company. You also must pay an additional premium equal to 15% of the basic premium charge. The Company may make additional exceptions for items shown on the survey.

YOU MAY REQUIRE AMENDMENT OF THE AREA AND BOUNDARY EXCEPTION BY MARKING OUT THIS PARAGRAPH 3 AND BY COMPLYING WITH ITS PROVISIONS BEFORE COMPLETION OF THIS CLOSING.

4. Arbitration.

This Paragraph 4 does not apply to the Residential Owner Policy (T-1R), and if applicable the parties must later agree to arbitrate under such policy if the land covers a one to four family residential property or condominium unit.

If this is not residential, as stated above, you may require deletion of the arbitration provision of the Owner Policy. If you do not delete this provision, either you or the Company may require arbitration, if the law allows. There is no charge to delete this provision.

IF YOUR POLICY IS NOT A TEXAS RESIDENTIAL OWNER POLICY (T-1R), YOU MAY REQUIRE DELETION OF THE ARBITRATION PROVISION BY MARKING OUT THIS PARAGRAPH 4.

5. Notice.

You may wish to consult an attorney to discuss matters shown in Schedule B and C of the Commitment. These matters will affect your title and use of your land. Your Title Insurance Policy will be a legal contract between you and the Company. The Commitment and Policy are not abstracts of title, title reports or representations of title. They are contracts of indemnity. We do not represent that your intended use of the property is allowed under the law or in the restrictions on your land.
