

STATE OF TEXAS           §  
    §  
 COUNTY OF FORT BEND §

**AGREEMENT**

Whereas Fort Bend County Drainage District obtained a 0.048-acre drainage easement through the back of Ms. Dawson's 0.617-acre tract in the Jane H. Long survey, Abstract #55 in Fort Bend County, Texas for the realignment of a section of Rabbs Bayou,

Whereas a significant portion of Ms. Dawson's septic system lies within the 0.048-acres conveyed to the District and it will become nonfunctional upon completion of the District's work within the easement,

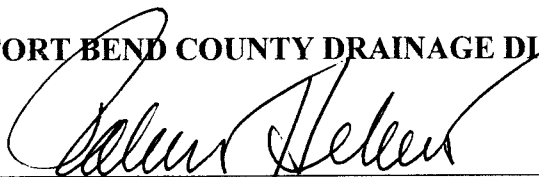

Whereas the District agrees to pay Ms. Dawson \$6700.00 to replace the existing septic system with a sewer system that meets the requirements of Fort Bend County,

Whereas Ms. Dawson agrees that within 6 months of the date of this agreement to have either a new septic system, meeting Fort Bend County's requirements, installed, or tie into the City of Richmond's sewer system,

Whereas the District agrees to cover the City of Richmond's sewer impact fee cost should Ms. Dawson choose to tie into the City's sewer system within 6 months of the date of this agreement.

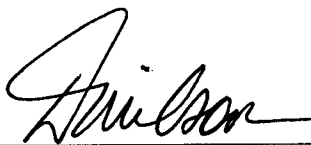

This agreement shall become effective upon execution by the District.
