

- (i.) An amount equal to 25% of the construction contract amount for the Project within the City limits as determined by the County and agreed to by the City, within thirty (30) days of receipt of the County's notice to the City of the County's acceptance of bids for the Project; and
- (ii.) An amount equal to 25% of the construction contract amount for the Project within the City limits as determined by the County and agreed to by the City, within thirty (30) days of the County's notice to the City stating the Project is 25% completed; and
- (iii.) An amount equal to 25% of the construction contract amount for the Project within the City limits as determined by the County and agreed to by the City, within thirty (30) days of the County's notice to the City stating the Project is 50% completed; and
- (iv.) An amount equal to 25% of the construction contract amount for the Project within the City limits as determined by the County and agreed to by the City, within thirty (30) days of the County's notice to the City stating the Project is 75% completed.

The City understands that any delays in the construction of the Project may cause costs of the Project to increase.

This Amendment has been executed by the City and County upon and by the authority of their respective governing bodies. This Amendment is not effective until executed by the County.
