Subject: Cane Island Major Thoroughfare Amendment

Dear Director,

Please review the attached submittal for amendment to the Major Thoroughfare and Freeway Plan (MTFP) for Cane Island from FM 1463 to IH 10. This alignment is an update to the 2007 Fort Bend County Major Thoroughfare Plan. Andy Meyers, Commissioner Precinct 3, and County Engineer Richard W. Stolleis, P.E., have been coordinating the discussions on the route that will serve this rapidly growing area of Fort Bend County to give better access to the IH 10 corridor.

This Major Thoroughfare Plan Amendment was approved by Commissioners Court on February 26, 2013. If there are any questions or need for additional information, please call Mr. Richard W. Stolleis, P.E., County Engineer, at 281-633-7506.

Sincerely,

A handwritten signature in black ink, appearing to read "Robert E. Hebert", is written over a horizontal line.
