It has been brought to the attention of the Fort Bend County GIS Division that there is a need for a road name or address range change/correction. To our knowledge, there is no conflict with our records regarding:

- B) The address range (no change) from the 11600 block to the 16000 block of the Same Road on Key Map page Same within the Same zip code.
- C) Input of new road name of _____ and new suggested address range of _____ on Key Map page _____.

The County Name of the road has been Barek since the 1940 Road Log. Mrs. Patricia Barak, the wife of Mr. Johnny Barak, provided information showing that the family name is spelled Barak, named after Mr. John Barak, born in July 1870.
