RE: Renewal of Term Contract for Hauling and Disposing of Condensate/Leachate Liquids

Ms. Kaminski:

The purpose of this letter is to serve as proof that Progressive Environmental Services, Inc. dba SWS Environmental Services (SWSES) would like to renew our current contract with Fort Bend County with a price increase. The current contract pricing is \$.26 per gallon. SWSES is requesting an increase of 13.5% to account for a rise in costs such as wash out fees and fuel. The requested amended contract rate would be \$.295 per gallon.

Thank you for the opportunity to work with you. SWSES values its relationship with Fort Bend County. Please feel free to contact me if you have any questions or need additional information.

Respectfully,
SWS Environmental Services
