ORDER CALLING ELECTION FOR CREATION OF THE FORT BEND COUNTY ASSISTANCE DISTRICT NO. 6 AND IMPOSITION OF A SALES AND USE TAX

WHEREAS, the Commissioners Court of Fort Bend County (the "County") has determined that there are certain important public services, projects and programs that lack funding within the County; and

WHEREAS, the 80th Texas Legislature passed House Bill 1720 and the 82nd Texas Legislature passed Senate Bills 520 and 1233, and the 83rd Legislature passed Senate Bill 1167, all of which amended Chapter 387, Local Government Code (the "Act"), to authorize all counties to create county assistance districts and to adopt a local sales tax to assist in funding certain public services, projects and programs; and

WHEREAS, the Act provides that in order to create a county assistance district, a commissioners court of a county may call an election on the question of creating a county assistance district to perform certain functions within the district including the construction, maintenance, or improvement of roads or highways; the provision of law enforcement and detention services; the maintenance or improvement of libraries, museums, parks, or other recreational facilities; the provision of services that benefit the public health or welfare, including the provision of firefighting and fire prevention services; or the promotion of economic development and tourism; and

WHEREAS, the Commissioners Court of the County proposes to create the Fort Bend County Assistance District No. 6 (the "District") to perform those functions stated in the Act, to have all powers as authorized by the Act, as amended from time to time, and to call an election on the question of creation of the District, defining the boundaries of the District as described by the property description in the attached Exhibit A, and the imposition by the District of a tax on the sale of all taxable items (as defined in the Act and the Tax Code, Chapters 151 and 323) within the District at a rate not to exceed one percent of the sales price of the taxable item sold; and

WHEREAS, the County has determined that the combined rate of sales and use taxes imposed by political subdivisions of the State within the proposed boundaries of the District, including the rate to be imposed by the District, if approved at this election, would not exceed the maximum allowable rate; and

WHEREAS, as the District includes territory in the extraterritorial jurisdiction of the City of Houston, the County sent notice by certified mail as required by the Act to the governing body of the City of Houston of its intent to create the district prior to calling this election, and the County shall petition the governing body of the municipality for its written consent to the creation of the proposed district; and

Order Calling for CAD 6 -1-

WHEREAS, the Commissioners Court intends for the property description in the attached Exhibit A to form a closure and for the District to be located solely in the current limits of the extraterritorial jurisdiction of the City of Houston and in those areas of the County in which the current sales and use tax imposed by political subdivisions is one percent or less. To the extent that a mistake is made in the property description such that the boundaries of the District extend into a municipality's corporate limits or the current extraterritorial jurisdiction of another municipality, or extend into an area in which less than one percent of sales and use tax is currently available, that portion of the boundaries shall be deemed to be excluded from the District; and

WHEREAS, the County intends for the primary purpose of the District to be the construction, maintenance, or improvement of roads, highways, bridges and drainage facilities; and

WHEREAS, in addition to the primary purpose stated above, the District may perform any other lawfully permitted purpose; and

WHEREAS, the Commissioners Court of the County wishes to proceed with the ordering of said election; NOW, THEREFORE,
