RE: Request to set a public hearing for replat for Valero Store No. 1481

Dear Andy Meyers:

West Belt Surveying, Inc. is replatting Reserve "A" out of Firethorne Section 20. The name of the proposed Replat is Valero Store No. 1481. The reason for Replat is to create two (2) Reserves restricted to commercial use. Our client, Valero, wants to sell the remaining acreage that it is not using, and in order to do that, the property must be replatted. West Belt Surveying, Inc. is requesting a Public Hearing, per the request of the Fort Bend County Engineer. We have attached a full size copy of the Replat. Please feel free to call or email us with any questions or comments you may have.
