DEMAND RESPONSE:

Fort Bend County provides general public demand response, deviated fixed route, and commuter services. Elderly and disabled demand response services are part of our overall project. Fort Bend County also provides transportation for the elderly and/or disabled citizens through an agreement with Fort Bend Seniors Meal on Wheels.

Coordination between this non-profit agency and Fort Bend County Transit has benefited the elderly and/or disabled citizens in providing more service to meet the senior and disabled client's needs.

Fort Bend Senior Meals on Wheels provides some of the costs associated with their client based transit needs. The seniors are not charged any fare for their trips to the senior center.

For general transportation, seniors must book trips like any other individual seeking a ride. Reservations can be made up to 30-days in advance or no later than one (1) business day prior to the appointment time.

Reservations are accepted between the hours of 8:00am and 5:00pm Monday through Friday excluding County holidays. Trips are scheduled for first drop off by 8:00 am and last pick up at 5:00pm. Transportation services are provided Monday through Friday excluding County holidays.

Trip fares are \$1.00 per person each way. This is a curb to curb service; however persons with disabilities can request door to door service
