RE: Bid 14-004, Term Contract for the Purchase of Weed, Brush and Insect Control Chemicals for Fort Bend County

Mr. Jalomo,

Regarding the above mentioned bid, Target Specialty Products was awarded certain sizes for item #14, Garlon 3A, and item #15, Garlon 4. Both of these products are manufactured by Dow AgroSciences LLC. Target bid alternate products for these two bid items, also both produced by Dow. I was recently informed by Dow that these alternate products that Target bid do not meet specifications for branded Garlon 3A and Garlon 4. After being made aware of this fact, I am hereby requesting permission for Target to rescind its bid on these two products. It is not Target's desire to supply product that does not meet official minimum bid specifications and/or customer expectations.

I sincerely apologize for this error, as it was I who completed the bid forms. I in no way intentionally offered a product that did not meet specs. Target Specialty Products has a long history of bidding on this bid, and I would not intentionally do anything to jeopardize that business relationship. Please consider this request, and feel free to contact me if this causes any complications on your end. It is not Target's intention to cause a situation which would put us in default, so if that is the case, please contact me to discuss the matter. You can reach me on my cell phone at (713) 249-2075, or by e-mail at mike.nichols@target-specialty.com.

Also, in case you need documentation, I have supplied a letter from Dow confirming the confusion. You are also welcome to directly contact their representative with any questions you may have concerning this matter.

Best Regards,

Mike Nichols

Dow AgroSciences

10/15/13

To whom it may concern:

Target Specialties bid on the Fort Bend Co. bid in Texas this year, and was awarded the Garlon 3A and Garlon 4. Fort Bend Co. has historically used branded products and will continue to do so moving forward. Target Specialties bid a product that does not meet the bid specifications of branded Garlon, and therefore will respectfully withdraw from the bid this year. I will work with them to correct any communication issues so they can be competitive and correct on the future bids!

Regards,

Please call if you have questions.

Regards,

Christopher Pritchett
