**Re: Sponsorship  
Tie-in Paving Connection and Right Hand Turn Lane at proposed Bissonnet  
Street at FM1464 within Victorian Gardens Development on behalf of  
Victorian Gardens, L.P.**

Honorable Judge Hebert:

Fort Bend County Engineering Department has received and reviewed a request (letter attached) from Edminster Hinshaw Russ, Associates, Inc., for Fort Bend County to sponsor a project for a tie-in paving connection and right hand turn lane to proposed Bissonnet Street at FM1464 within the Victorian Gardens Development. The tie-in paving connection and right hand turn lane will improve traffic flow along FM1464.

Any and all cost involved with the project will be borne by Victorian Gardens, L.P. There will be no cost to Fort Bend County.

The Texas Department of Transportation requests that an agency, such as Fort Bend County, act as a sponsor for the project. This means that the permit for the work will be issued in the name of Fort Bend County and the County accepts responsibility for the terms and conditions of the permit.

We recommend acceptance of the sponsorship and request that this item be placed on the 2/25/2014 Commissioner's Court agenda. We have prepared a letter to Texas Department of Transportation, for the County Judges' signature.

If there are any questions please do not hesitate to call.

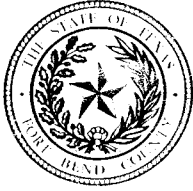

Sincerely,

Nathan D. Hatcher  
Assistant to County Engineer

Dear Hon. Judge Hebert:

Edminster, Hinshaw, Russ & Associates, Inc. d/b/a/EHRA ("Engineer") is preparing the street tie-in and right-turn lane permit application to submit to the Texas Department of Transportation (TxDOT) for the proposed street tie-in of Bissonnet Street at Farm-to-Market Road 1464 (FM 1464). At the tie-in, Bissonnet Street will be a four (4) lane concrete boulevard with a dedicated left-turn lane at the intersection. Victorian Gardens, L.P., the developer for the project, will fund the cost of the construction. There will be no expense to Fort Bend County. Enclosed are the construction plans that were prepared in accordance with TxDOT's requirements.

As part of the permit application process, TxDOT requires a sponsorship letter from Fort Bend County. On behalf of the Development, I am requesting a letter from Fort Bend County supporting and sponsoring this project, so that it may be included with the permit application package.

Should you have additional questions or require additional information, please contact me at 713-784-4500.

Sincerely,
